Dear Sirs,

Re: Janice Connell & Julie Wright
Get In The Sprit, 20 Station Road, Askern, Doncaster, DN6 0JA

I am writing to register my objection to the application for a premises licence made by Janice Connell & Julie Wright, Get In The Sprit, 20 Station Road, Askern, Doncaster, DN6 0JA. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

20 Station Road lies within the Council's Cumulative Impact Area, and enabling the premises to sell alcohol would be totally detrimental to its aims and objectives. The application proposes that alcohol will be sold for consumption off the premises between 9:00am and 9:00pm, seven days a week.

Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises that crime, disorder and public nuisance have already reached problem levels for the local police. Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night.

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours faithfully,

 K Hadwin
