## Learning Provision Organisation Strategy

### – Local Area Plans

---

Underpinning the Strategy are the Pupil Place Planning Local Area Plans. These plans are made up of pyramid based Key Data Reports and Pupil Place Proposal and Action Plan Reports. These together incorporate both school place planning and childcare place planning in one set of strategic plan.

The reports look at a range of information from demographic information through to the current situation, pyramid development vs. the current status of provision and how we plan to resolve any potential shortfalls.

The below shows an overview of what is comprised within each local area plan.
