WHAT DOES THIS MEAN FOR THE CITIZENS OF DONCASTER?

4. The work programme of the Health and Wellbeing Board has a significant impact on the health and wellbeing of the Doncaster population through the Health and Wellbeing Strategy, the Joint Strategic Needs Assessment, system management and any decisions that are made as a result of Board meetings.

BACKGROUND

5. At the first full Board meeting on 6th June 2013, Board members agreed that there would be a Health and Wellbeing Officer group to provide regular support and a limited support infrastructure to the Board. In March 2016 this support was changed to a steering group.

The Steering group has had one meeting since the last Board in January 2018 and can report the following:

Joint Strategic Needs Assessment (JSNA) 2017/18

The Doncaster Joint Strategic Needs Assessment (JSNA) consists of a number of pieces of development work and analysis reflecting the increasingly dynamic nature of health and wellbeing analytics, but also how the JSNA relates to the State of the Borough and Doncaster Growing Together. Products include

- Health and Wellbeing Board outcomes framework
- BME Health Needs Assessment Mental Health analysis
- Data to support health and care integration including complex lives and Doncaster Talks
- Baseline data to inform the physical activity and sport strategy
- Updated community profiles
- Updated pharmaceutical needs assessment

All the above products will be available via the Team Doncaster website.

Work to develop the 2018/19 JSNA is beginning with a focus on scenario planning, supporting the place plan, locality working and assets to fulfil the 'state of health and wellbeing' requested at the previous Board meeting.

Motor Neurone Disease Charter

At Full Council the chair of the Health and Wellbeing Board announced that the Council was minded to sign up to the above charter and officers have been instructed to place a decision on the forward plan. Details of the charter are attached as an appendix and partners are asked to consider signing up to the charter too.
