| How will this contribute to improving health and wellbeing in Doncaster? |
|--|
| <p>The Local Account is a people's performance report for Adult Social care. We have to produce a Local Account annually to demonstrate our performance and progress made in improving Adult Social care. It is also used to spell out our future intentions and priorities for change.</p> <p>The Local Account is a key stage in the new Sector led Improvement performance framework for Adult Social care. It is our self assessment of performance, based on a number of evidence sources.</p> <p>The Local Account will assist in improving health and wellbeing in Doncaster by raising visibility of the impact of our service changes and joint work.</p> |
