<b>How will this contribute to improving health and wellbeing in Doncaster?</b>
<p>The attached documents outline in summary form the first draft of the 5 year plans for services directly commissioned by NHS England, covering primary care commissioning, public health commissioning and specialised commissioning. These plans, as they develop, will inform the overall service strategy for the services which need be provided for the Doncaster population.</p>

**Recommendations**

The Board is asked to:-

Note the plans and consider the implications for the development of the Doncaster plan.
