How will this contribute to improving health and wellbeing in Doncaster?
The Borough Strategy refresh is an inspirational document which aims to provide a statement to Partners that determines where we currently are and what we collectively hope to achieve in the future. The current refresh is aligned to the work of each of the four Strategic Theme Boards (inc Health & Wellbeing) and provides a vision on how we envisage improving the quality of health and wellbeing of our residents.

Recommendations
The Board is asked to: - Note the content of the Borough Strategy prior to its formal sign off by Team Doncaster Strategic Partnership.
