How will this contribute to improving health and wellbeing in Doncaster?
Identifying people with dementia enables services, care and support to be planned and commissioned effectively enabling people to live well with dementia and their carers and family's needs to be considered appropriately.

Recommendations
The Board is asked to:- Note the performance of 2013/14 against the 2013/14 OBAT and endorse the 2014/15 OBAT and associated performance framework.
