Other Implications (please list)		

How will this contribute to improving health and wellbeing in Doncaster?
<p>The Joint Health and Wellbeing strategy underpins the work plan of the HWB Board and is fundamental to the health and wellbeing needs of the population. A refresh is required to ensure that the board's work programme fulfils the local population needs and that it is updated in line with the changing health and social care landscape.</p>

Recommendations
<p>The Board is asked to:- CONSIDER the update on the proposal for the Health and Wellbeing Board strategy refresh; DISCUSS and AGREE the proposed timeline and programme for the Health and Wellbeing Board strategy review.</p>
