TO THE CHAIR AND MEMBERS OF THE LICENSING COMMITTEE

TERMS OF REFERENCE, PROCEDURE AND DELEGATIONS

EXECUTIVE SUMMARY

1. The purpose of this report is for the Licensing Committee to note the Terms of Reference for the discharge of licensing functions, to note the procedure for hearings, to agree the delegation of functions and to agree the appointment of Members to the Licensing Sub-Committee Divisions.

RECOMMENDATIONS

2. a) It is recommended that Members note:

   (i) the Terms of Reference for the Licensing Committee as detailed in Appendix A to this report;

   (ii) the Terms of Reference for the Licensing Sub-Committees as detailed in Appendix A;

   (iii) the procedure set out in Appendix B is continued as the procedure for hearings under the Licensing Act 2003 before the Licensing Committee and Sub-Committees.

   (iv) the procedure for dealing with settling appeals after the Sub Committee hearing but before the appeal hearing in the magistrates court is decided;

b) It is recommended that Members agree:

   (i) the delegation set out in Appendix C;

   (ii) the appointment of Members to the Licensing Sub-Committee as set out in Appendix D.

BACKGROUND

3. At Council on the 18th October 2012, the Terms of Reference of the Licensing Committee were revised to provide greater clarity on the approval processes for the Statement of Licensing Policy and Statement of Gambling Policy. The revised Terms of Reference clearly indicate that, in the case of the Statement of Gambling Policy, which is
a Statutory Plan and therefore forms part of the Budget and Policy Framework, the Licensing Committee advises the Executive on the content of the Statement, following which the Executive makes recommendations on the adoption of the Statement to Full Council. In the case of the Statement of Licensing Policy, which is not a Statutory Plan, the Licensing Committee recommends the adoption of this Statement directly to the Full Council. A copy of the revised Terms of Reference is set out in the Appendix A to this report for the Committee to note.

4. The Licensing Act 2003 also enables the Licensing Committee to determine its own procedure and those of its Sub-Committees subject to the provisions of the Licensing Act 2003 (Hearings) Regulations 2005. The procedure is set out in Appendix B and is unchanged.

5. The Licensing Act 2003 provides that the functions of the Council as the Licensing Authority shall be carried out by its Licensing Committee, with the exception of the Statement of Licensing Policy. The Licensing Committee may delegate those functions to Sub-Committees or to officers. Details of these delegations are found at Appendix C. The delegations have been amended to clarify and, where applicable, establish the delegation to the sub-committee in respect of the renewal and revocation of personal licences and the delegation to officers in respect of applications for minor variations and the suspension of licences / club certificates for non-payment of annual fees.

6. The appointment of the Licensing Sub-Committee and Member make-up process is unchanged other than to clarify that the minimum number of Members required to be quorate is 3. Where more than 3 Members attend those additional members would be able to choose from the following options:
   - Stay and take part in the meeting and agree the outcome with the rest of the Sub-Committee Members;
   - Sit in the public area as an observer; or
   - Leave the meeting if they so wished.

7. In the case of an appeal of a Sub-Committee decision there is no reason why mediation or other discussions should not be held between the Licensing Authority and the appellant once an appeal has been lodged to either settle the matter entirely or to resolve those issues that can be resolved or indeed to identify issues in dispute. The question is how these may be dealt with. The options are:-

   1) **Refer back to the Sub-Committee**
      This is only possible where there is ample time between the offer to settle and the appeal hearing. The views of interested parties and responsible authorities will also need to be canvassed.

   2) **Give the Licensing Officer discretion to settle**
      The Licensing Officer must understand the scope of any discretion. It may be that the discretion is only within guidelines/limits from the Licensing Committee or perhaps a
decision made by the Licensing Officer in conjunction with the Chair of the Sub-Committee.

OPTIONS CONSIDERED

8. No other option was considered.

REASONS FOR RECOMMENDED OPTION

9. The Committee must note the Terms of Reference, may adopt its own Procedures, may establish one or more sub-committees and may determine the delegation of functions under the Licensing Act 2003.

10. Guidance issued by the Secretary of State recommends that functions, so far as possible, should be delegated in the interests of speed, efficiency and cost effectiveness.

RISKS AND ASSUMPTIONS

12. It is a requirement of the Licensing Act 2003 to adopt Terms of Reference, the procedure for hearings and approve the delegation of functions.

LEGAL IMPLICATIONS

13. Sections 101 and 102 of the Local Government Act 1972 empower the Council to arrange for the discharge of any of its functions by a Committee or Sub-Committee.
Sections 101 and 102 of the Local Government Act 1972 do not apply to the Licensing Committee or Licensing Sub-Committees. The Council is obliged by law to appoint a Licensing Committee under the Licensing Act 2003 and Gambling Act 2005.

Care must be taken to ensure the procedure agreed and delegations comply with the relevant statutes.

If a matter is listed for determination by a Sub-Committee, but it is not heard within the requisite timescales, then it is deemed granted.

FINANCIAL IMPLICATIONS

14. There are no specific financial implications associated with this report.

CONSULTATION

15. Consultation has taken place between Democratic Services, Legal Services and the Licensing Officer.

(b) The hearing shall take place in public, unless the Authority decides to exclude the public from all or part of the hearing because it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing taking place in public. A party and any person assisting or representing a party, may be treated as a member of the public.

(c) The Authority may exclude from a public hearing any person attending who acts in a disruptive manner, and refuse to re-admit that person, or impose conditions on his/her re-admission. Any such excluded person may, before the end of the hearing, submit to the Authority in writing any such information that he/she would have been entitled to give orally.

(d) The Authority may dispense with a hearing if all of the persons required by the Act agree that a hearing is unnecessary, have given notice to the Authority that they consider a hearing to be unnecessary, and the Authority have given notice to all parties that the hearing has been dispensed with.

3. Non-attendance of a party at the hearing

(a) If a party has informed the Authority that he/she does not intend to attend the hearing, or be represented at the hearing, the hearing may proceed in his/her absence.

(b) If a party who has not so notified the Authority does not attend either in person or by his/her representative, the Authority shall adjourn the hearing to a specified date if it considers it in the public interest to do so, but it shall otherwise proceed with the hearing in that party’s absence.

(c) Where the hearing proceeds in the absence of a party, the Authority shall consider the application, representations or notice made by that party.

(d) Where the hearing is adjourned, the Authority shall forthwith, notify the parties of the date, time and place to which the hearing has been adjourned.
4. **Procedure at the Hearing**

The hearing shall take the form of a discussion led by the Authority. The following procedure is intended to give form to such a discussion to ensure that all parties are able to put their case. Each party shall have equal maximum time in which to address the Committee. The Committee may take into account documentary or other information provided by a party before the hearing, or with the consent of all other parties at the hearing. The Committee may change the procedure in individual cases, upon the application of a party, or upon its own motion, if it considers it necessary to properly determine the business before it.

(a) At the commencement of the hearing, the Chair will make introductions and establish that all parties understand the procedure to be followed. The Committee will then receive and determine any application that a party may wish to make to permit another person to appear at the hearing, and any application that any party wishes to make to vary the following order of addresses.

(b) The Applicant may then address the Committee and provide any further information that the Authority have requested. At the conclusion of the Applicant’s address, members of the Committee may ask the Applicant questions. Following questions by Committee members, any other party that wishes to question the Applicant may request permission to do so. If granted, the party or parties receiving permission may question the Applicant.

(c) Other parties entitled to address the Committee or given permission to do so under paragraph (a) above, may then do so; and also provide to the Committee any information that the Authority have requested. Following the address, the members of the Committee may question the party addressing the Committee. A party may question any other party appearing if given permission by the Authority.

The Committee will determine any application by a party to question another party on its merits.

Cross examination shall not be permitted unless the Authority considers that cross examination is required for it to consider the representations, application or notice, as the case may require.

The Committee shall determine any application by one party to permit cross examination of another on its merits.

Normally, permission will be given to one party to question or cross-examine another, only where:-

(i) a material fact put forward by one party is disputed by another party and the dispute can be properly determined, only if cross examination is permitted; or

(ii) the question that one party wishes to put to the other is non-contentious and is for the purpose of clarification only.

5. The Committee’s Deliberations and Determination

(a) The Authority considers that normally, it will be in the public interest that the deliberations of the Committee are conducted in private.
