23<sup>rd</sup> October 2013

Dear Paul

### **Cycling Strategy**

Thank you for your letter dated 3<sup>rd</sup> October 2013, which included positive comments on the process officers are undertaking to develop a Cycling Strategy for Doncaster.

I also welcome the input and comments which you and your colleagues made at the Regeneration and Environment Overview and Scrutiny Panel meeting on 30<sup>th</sup> September.

The Panel's recommendations and feedback from the stakeholder and public events are now being analysed, and it is the intention to publish a copy of the Draft Strategy during November, prior to presentation to Cabinet on 18<sup>th</sup> December, and this will be copied to the Panel group members.

Following Cabinet approval, the Strategy will be published, and an annual work programme will be developed to allow specific projects to be brought forward for implementation through the Corporate Financial Programme from 2014.

Thank you once again for your input to date.

Yours sincerely

**Ros Jones**  
**Mayor of Doncaster**
