12. Where the Licensing Authority considers that action under its statutory powers is appropriate, it may take any of the following steps:
  - Grant the licence subject to conditions which are consistent to the operating schedule, modified to such extent as the authority considers necessary for the promotion of the licensing objectives, and those conditions which are mandatory.
  - To exclude from the scope of the licence any of the licensable activities to which the application relates.
  - To refuse to specify a person in the licence as the premises supervisor.
  - To reject the application.

## RISKS AND ASSUMPTIONS

14. There are no risks or assumptions other than those referred to in the Legal Implications below.

## LEGAL IMPLICATIONS MC Churchman 16<sup>th</sup> July 2018

15. The Licensing Authority must ensure it complies with its obligations under the Licensing Act 2003 and associated Regulations which includes, but is not limited to the following:-

In considering an application, the committee must have regard to the 4 licensing objectives as referred to above and take into account of the statutory guidance issued by the Home Office and the Council's statement of licensing policy. The committee shall consider the application in accordance with both the Licensing Act 2003 and the Licensing Act 2003 (Hearings) Regulations 2005, and amending secondary legislation. The committee must make its decision based on evidence submitted in accordance with the legislation and give reasons for reaching its decision.

An appeal against the decision of the licensing authority may be made to the Magistrates' Court.

Legal advisors shall be present at the hearing to give specific legal advice.

**FINANCIAL IMPLICATIONS [Officer R Taylor - Standard Implications Agreed 2/3/18]**

16. The costs associated with applications of this nature and their determinations are met from fees paid to the Council by applicants for Authorisations /Licences under the Licensing Act 2003 and there are no further financial considerations.

**HUMAN RESOURCES IMPLICATIONS [Officer D Knapp - Standard Implications Agreed 14/2/2018]**

17. There are no human resource implications to this type of report.

**TECHNOLOGY IMPLICATIONS [Officer P Ward – Standard Implications Agreed 19/2/18]**

18. There are no specific technology implications in regards to this type of report. The Northgate M3 system is used to process the application and record the outcome of the decision.

**HEALTH IMPLICATIONS [Officer R Suckling – Standard Implications Agreed 12/2/2018]**

19. The Director of Public Health must be fully notified of applications and is entitled to make representations to the licensing authority in relation to the application for to the grant, variation or review of a premises licence. These representation must still be considered 'relevant' and relate to one or more of the licensing objectives.
20. Such representations can potentially be made on the grounds of all four licensing objectives. Perhaps the most obvious example is where drunkenness leads to accidents and injuries from violence, resulting in attendances at emergency departments and the use of ambulance services. Some of these incidents will be reported to the police, but many will not. Such information will often be relevant to the public safety and crime and disorder objectives.
21. There is also potential for health bodies to participate in the licensing process in relation to the protection of children from harm. This objective not only concerns the physical safety of children, but also their moral and psychological wellbeing. In addition to the responsible authority whose functions relate directly to child protection, the Director of Public Health may also have access to relevant evidence to inform representations about child protection matters. These representations may include, amongst other things, the use of health data about the harms that alcohol can cause to underage drinkers. Where a responsible authority, or other person, presents evidence to the licensing authority linking specific premises with harms to children (such as ambulance data or emergency department attendances by persons under 18 years old with alcohol- related illnesses or injuries) this evidence should be considered, and the licensing authority should also consider what action is appropriate to ensure this licensing objective is effectively enforced. In relation to applications for the grant of a licence in areas where evidence is presented

on high levels of alcohol-related harms in persons aged under 18, it is recommended that the licensing authority considers what conditions may be appropriate to ensure that this objective is promoted effectively.

## **EQUALITY IMPLICATIONS [DDS 13/07/2018]**

22. Decision makers must consider the Council's duties under the Public Sector Equality Duty at s149 of the Equality Act 2010. The duty requires the Council, when exercising its functions, to have 'due regard' to the need to eliminate discrimination, harassment and victimisation and other conduct prohibited under the act, and to advance equality of opportunity and foster good relations between those who share a 'protected characteristic' and those who do not share that protected characteristic. There are no specific equality implications arising from this report. However, any activities arising from this report will need to be the subject of separate 'due regard' assessments.

The Committee may change the procedure in individual cases, upon the application of a party, or upon its own motion, if it considers it necessary to properly determine the business before it.

- (a) At the commencement of the hearing, the Chair will make introductions and establish that all parties understand the procedure to be followed. The Committee will then receive and determine any application that a party may wish to make to permit another person to appear at the hearing, and any application that any party wishes to make to vary the following order of addresses.
- (b) The Applicant may then address the Committee and provide any further information that the Authority have requested.
