4 Presentation of the Retiring Chair of Council's Commemorative Badge

The Chief Executive, Damian Allen informed Council that due to the social distancing restrictions currently in place due to Covid-19, it was not possible to present the retiring Chair of Council, Councillor Linda Curran with her commemorative badge, but would ensure that it was given to her following the meeting.

5 Chair of Council's Inaugural Speech.

The Chair of Council, Councillor Paul Wray, delivered his inaugural speech:-

“Good evening everyone.

I would like to start by offering my congratulations to my predecessor Cllr Curran, I know that she has worked really hard over the past 2 ½ years, first as Deputy and then as Civic Mayor and she has done an excellent job.

Many of you know that I was Civic Mayor in 2015/16, so to be granted this honour again, in what will be my final year as a councillor before I retire, is more than I ever could have hoped for.

Of course, the circumstances are very different this time around but I can assure you that I will approach the role with the same enthusiasm as before and ensure that, within the boundaries that we all now have to operate within, that I carry out the role of Civic Mayor to its fullest.

I hope to meet and thank personally as many as possible of the front line workers who have worked tirelessly throughout this pandemic to ensure that critical services are delivered. I also wish to meet and thank the volunteers who have ensured that the most vulnerable and isolated in our communities have been supported.

I would like to thank Councillors Jane Kidd and Eva Hughes for their nomination and kind words and all my colleagues for your support.

I would also like to thank my wife Sue for her continued love and support. Thank you also to my friend Elizabeth Marsden who has kindly agreed to once again be my consort.

As you know the Civic Mayor nominates a charity to support during their time in office and although it will be difficult to host our usual fundraising events under the current restrictions, I will look at ways we can raise much needed funds for Armed Forces charities that support local residents.

Thank you again for the great honour that you have bestowed on me today and I aim to do my very best in representing Doncaster throughout my time as Civic Mayor.”

6 Vote of thanks to the retiring Chair of Council.

It was MOVED by Councillor Derek Smith and SECONDED by Councillor Duncan Anderson, that the Council place on record its thanks and appreciation to Councillor Linda Curran for the manner in which she had fulfilled her role as Chair of Council for the 2019/20 Municipal Year.

Councillor Linda Curran responded as follows:-

“Good evening everyone.

When I was chosen to serve as Civic Mayor in May last year it was, and remains, one of the proudest moments of my life.

At that time, none of us could have imagined what lay ahead. The corona virus continues to impact on all of our lives. Many of us have lost family, friends and colleagues to this dreadful virus and we are all trying to adjust to a new way of living in order to keep safe. Difficult times lay ahead but in the past few months I have been humbled and inspired by the way our communities have pulled together to support each other and make sure that the most vulnerable are cared for and looked after..

I am so grateful and proud of our NHS workers, carers, keyworkers and front line staff who have continued to work under extreme pressure throughout this pandemic and I thank them for the work that they have done and continue to do.

They say ‘a week is a long time in politics’; well, so sometimes is a ‘civic year’! In my case 16 months, and whilst we acknowledge what is happening, and the impact that it has had, on all of us, I do not wish it to define my year because, it was, for the most part, memorable for all the right reasons.

It would take far too long to tell you about the many inspirational and wonderful people that I have had the pleasure and the privilege of meeting. People who work tirelessly for the benefit of others; volunteers who give up their time freely, without recognition or reward, to help make life a little easier or better for the most vulnerable in our community.

There have been so many highlights that it is impossible to pick a favourite moment or to thank everyone individually, so I would just like to say a very heartfelt thank you to every individual and organisation that extended an invitation to me and to all those people who attended and supported mayoral events during my period of office.

As you know, at the start of the year I chose Firefly as my charity to support during my year in office. It is a tremendous charity, they do a fantastic job and I am sorry that many of my fundraising events were cancelled and I was unable to raise as much as I had hoped. It is a very difficult time for them, and indeed a great many charities who depend on fundraising events to keep going and I hope that we can all find ways of supporting them going forward.

On a personal note, I would like to say a big thank you to my family and friends. It would have been impossible for me to carry out the role of Civic Mayor, and a councillor, without their unstinting support, loyalty, love and understanding.

I would also like to record my thanks to my fellow ward Councillors for Hatfield, Councillors Derek Smith and Duncan Anderson. They have been a tremendous support, taking on additional work to allow me to carry out my role as Civic Mayor. A huge thank you to both of you.

A final thank you to the team of officers in the Civic Office, David, Mandy and Dave who have provided support throughout the year making sure I am at the right place at the right time, organising events and generally guiding through the role of Civic Mayor. A special mention to Paul Lawson, who retired last year after more than 25 years in the role of Civic Chauffeur and Attendant. I am assured this was a planned retirement and nothing that I said or did!!

I would like to finish by wishing my successor Councillor Wray all the very best during his time as Civic Mayor. It will, no doubt, be a very different experience from that he had the last time he held the office. I hope that, in the months to come, he will get opportunities to meet the many people who worked tirelessly during this difficult time and recognise the work that they have done.

Thank you”

7 Declarations of Interest, if any.

There were no declarations made at the meeting.

8 Minutes of the Council Meeting held on 5th March, 2020.

RESOLVED that the minutes of the meeting of Council held on 5th March, 2020, be approved as a true record.

9 To receive any announcements from the Chair of Council, the Mayor, Members of the Cabinet or the Head of Paid Service.

Announcement from the Chair of Council, Councillor Paul Wray:-

“I am pleased to welcome the High Sheriff, Carole O'Neill, who is attending the Annual Meeting this evening, and I look forward to inviting her to future events over the course of the Municipal Year”

Announcements from Ros Jones, Mayor of Doncaster:-

“We continue to see a rise in coronavirus infection rates both nationally and locally. In Doncaster, up to the end of August we were averaging 3.2 cases per 100,000 population per week in Doncaster. This has now jumped to 44 cases per 100,000 and it is expected to increase further over the coming days and weeks.

I fully empathise with people who are struggling with the restrictions that have been placed on all our lives. The past 6 months have not been easy, and I fear that we could be at the brink of a potential second lockdown.

Our local track and trace team are working flat out, I am glad that the national government focus has shifted to a more localised approach to track and trace, but we need our allocation of resources in order to manage effectively.

I am pleased to see the NHS Covid-19 app has launched today, albeit 4 months later than promised. I hope it delivers all that has been promised. To ensure the effective tracking and tracing of those at risk of catching the virus.

Testing is still a problem, Doncaster residents are still struggling to get a test, being offered tests many miles away from Doncaster, which doesn't take into consideration potential difficulties in travelling. What we need is local testing stations for local people.

Last week I joined with other leaders from Yorkshire in writing to Matt Hancock the Secretary of State offering local lab capacity in order to support the testing programme, we are yet to be taken up on this offer.

I make a plea to the residents of Doncaster, I do not want to scare people, but I need to stress the importance of following the guidelines especially social distancing. We had been doing so well in Doncaster, but the risk of a local or national lockdown is real. We must all do what we can to protect ourselves and others.

I would also like to make an announcement with regard to the Climate and Bio Diversity Emergency:

A little over a year ago, this council backed my motion to declare a climate and biodiversity emergency. Since then in Doncaster we have seen flooding devastate our communities, wildfires destroy thousands of acres of woodland in Australia and California, we are at a critical point in the life of planet earth. That's why I set up our climate commission led by Ed Milliband, with the report being launched in the coming weeks.

I want it to be bold, we have the opportunity to build back from coronavirus with a green recovery, to continue to reduce our carbon footprint, provide high skilled high paid jobs for our residents and to regenerate Doncaster and the North. The prime minister has promised to level up the North. I ask of him to give us the resources and we will do the job!

10 Notification by the Elected Mayor of the Composition of the Executive and the Elected Mayor's Scheme of Delegations.

Council received an oral report from Ros Jones, Mayor of Doncaster with regard to the composition of her Cabinet for the 2020/21 Municipal Year.

Members were reported that there would be no changes to the Membership of Cabinet, with no changes to the portfolios or the scheme of Delegation, other than that Enforcement would now fall under Councillor Joe Blackham rather than Councillor Chris McGuinness. This would enable Councillor McGuinness to give more time to other areas of his portfolio. The Cabinet would therefore be comprised as follows:-

Councillor Glyn Jones, Deputy Mayor
Cabinet Member for Housing and Equalities

Councillor Nigel Ball
Cabinet Member for Public Health, Leisure and Culture

Councillor Joe Blackham
Cabinet Member for Highways, Street Scene and Trading Services

Councillor Rachael Blake
Cabinet Member for Adult Social Care

Councillor Nuala Fennelly
Cabinet Member for Children, Young People and Schools

Councillor Chris McGuinness
Cabinet Member for Communities, Voluntary Sector and the Environment

Councillor Bill Mordue

Cabinet Member for Business, Skills and Economic Development

Councillor Jane Nightingale

Cabinet Member for Customer and Corporate Services

Mayor Ros Jones

Cabinet Member for Budget and Policy Framework and lead on Local Plan

RESOLVED that Council note the composition of the Executive for the 2020/21 Municipal Year.

11 Council appointed Committees and Sub-Committees Terms of Reference for 2020/21.

Members considered a report that sought approval for the proposed revisions to the Council's Terms of Reference for Council appointed Committees for the 2020/21 Municipal Year.

The revisions were outlined within Paragraphs 8 to 9 of the report and in the attached appendix to the report.

Council was asked to support the recommendations as outlined which sought to approve the Terms of Reference on block, as well as changes to the Terms of Reference of the Health and Wellbeing Board, and the addition of the Terms of Reference of the newly established Doncaster Covid-19 Oversight Board.

RESOLVED that

- 1) Council approve the proposed revisions to the Terms of Reference set out in Appendix A, as detailed in paragraphs 8 and 9 of the report, including the addition of the Doncaster Covid-19 Oversight Board;
- 2) Council note the existing Terms of Reference for all other Committee and Sub-Committees as set out within Part 3 of the Constitution remain unchanged; and
- 3) Council note that the Constitution will be updated to reflect any revisions to the Terms of Reference agreed at this meeting.

12 Local Government and Housing Act 1989 - Review of the allocation of seats on Committees and Sub-Committees.

The Council considered a report which proposed the allocation of seats on Committees and Sub-Committees of the Council, having regard to political balance in accordance with the provisions of the Local Government and Housing Act, 1989.

The Council was also advised of adjustments necessary to reflect a best proportionate fit in accordance with the principles of proportionality, as set out within paragraph 25 of the report.

It was reported that following the dispatch of the agenda papers, a list of Political Group nominations for the appointment of Members to serve on Committees, Sub-Committees and Scrutiny Panels had been circulated for consideration at the meeting, which outlined nominations received from Group Leaders.

The Council was also requested to make appointments and co-options to other Committees of the Council, not subject to the requirement for proportional balance.

Members noted that the proposed allocation of seats set out in the report, was based on:-

- (i) Proportionality being applied to the Committees/Sub-Committees shown in the table below based on the membership indicated:-

Committee/Sub-Committee	Size
Planning Committee	11
Elections & Democratic Structures Committee	11
Chief Officers Appointments Committee	11
Awards, Grants and Transport (Appeals) Committee	7
Audit Committee	5
Chief Officer Appeals Committee	5
Employee Relations Disputes Resolution Committee	5
Chief Officers Investigatory Sub-Committee	5
Total	60

- (ii) Proportionality would not apply to the Overview and Scrutiny Management Committee, or the four Overview & Scrutiny Standing Panels, in order to maximise cross-party representation;
- (iii) The Licensing Committee, set up under the Licensing Act 2003, need not be politically proportionate. However, in seeking nominations from Group Leaders onto these 14 seats, these had been sought in proportion to the overall composition on the Council. The appointment of Licensing Sub-Committees to conduct hearings under Section 10 of the Licensing Act 2003 was a statutory function reserved by the Act to the statutory Licensing Committee. Accordingly, it was a matter for the Licensing Committee to appoint these Sub-Committees and to schedule any required meetings; and
- (iv) Proportionality would not apply to the Health and Wellbeing Board in accordance with legislative requirements.

RESOLVED that the Council:-

- (1) resolves before any adjustments are determined, that seats on Committees and Sub-Committees are allocated, as set out in the Table at paragraph 25 of the report;
- (2) determines the necessary adjustments that the Conservative Group lose 1 seat on 2 different Committees/Sub-Committees;
- (3) as a consequence of the loss of the 2 seats at (2) above, allocate the 2 seats to the Independent Members, Councillors John Cooke and George Derx;
- (4) determines the appointment of Members to Committees and Sub-Committees as set out in the schedule attached to these minutes at Appendix A in accordance with the wishes of Political Groups;
- (5) notes that in appointing members to the Audit Committee, in accordance with the Chartered Institute of Public Finance and Accountancy (CIPFA) guidance,

any Member appointed to Cabinet should not be a member of the Audit Committee;

- (6) notes the requirement to include at least one Executive Member on the Chief Officers Appointments Committee;
- (7) determines the appointment of Members as substitutes in respect of the following Committees and Sub-Committees, in accordance with the wishes of Political Groups:-
 - (a) Chief Officers Appointments Committee
 - (b) Chief Officers Appeals Committee
 - (c) Employee Relations Disputes Resolutions Committee
- (8) for the reasons set out at paragraph 8(iii) of the report, agree that the rules of proportionality do not apply to the Licensing Committee;
- (9) subject to (8) above, appoint Members to sit on the Licensing Committee (14 Members);
- (10) determines the appointment of Members to the following:-
 - (a) Parish Councils' Joint Consultative Committee (6 non-executive Members on a political proportionate basis (5 Labour Group Members and 1 Conservative Group Member); and
 - (b) Member Development Working Group (Cabinet Member with responsibility for Member Training and Development and 1 Member from each Political Group).
- (11) approves the revision to the membership of the Health & Wellbeing Board, as detailed at paragraph 58 of the report;
- (12) endorse the appointments of John Hoare as the Church of England representative and Bernadette Nesbit as the Roman Catholic representative on the Children and Young People's Overview and Scrutiny Panel and on the Overview and Scrutiny Management Committee (OSMC) where this is considering issues relating to education matters;
- (13) any appointments to the 2 outstanding Overview and Scrutiny Parent Governor Representatives vacancies be determined by OSMC during the course of the year;
- (14) agrees that future appointments made during the course of the year to any of the Overview and Scrutiny Co-opted Member vacancies, be determined by the OSMC;
- (15) determines the appointment of workforce representatives as non-voting invitees onto the OSMC and the Standing Panels, as detailed at paragraph 49 of the report;
- (16) agree that the OSMC appoint as necessary, any further non-voting invitees to its membership or the membership of the Standing Panels during the course of the year, should it deem necessary;
- (17) note the establishment of the Doncaster Covid-19 Oversight Board; and

- (18) agree that future reviews on the proportional allocation of seats on Committees and Sub-Committees, be limited to the Annual Meeting and if appropriate, a mid-point in the year.

13 Appointments of Chairs and Vice-Chairs of Committees and Sub-Committees.

The Council considered a list of political nominations for the appointment of Members to serve as Chairs and Vice-Chairs on Committees, Sub-Committees and Scrutiny Panels for the 2020/21 Municipal Year. The list of nominations had been distributed to Members in advance of the meeting , following the dispatch of agenda papers.

It was noted by Council that in line with best practice, Council had endorsed the principle that the Health and Wellbeing Board be chaired by the Portfolio Holder responsible for Adult Social Care, or the Portfolio Holder responsible for Public Health, and this was accordingly represented in the Appendix attached to the report. Additionally, in accordance with Rule 3 of the Overview and Scrutiny Procedure Rules, Council looked to ensure that not all Chairs and Vice-Chairs were drawn from the same Political Party.

RESOLVED that the Chairs and Vice-Chairs of Committees and Sub-Committees for the 2020/21 Municipal Year, be as follows:-

14 Diary of Meetings 2020/22.

Members were presented with a report that provided the schedule of meetings for the 2020/21 Municipal Year. The calendar of meetings provided a detailed plan of Council and Committee Meetings throughout the year and gave members of the public a chance to engage in the democratic process where possible and hoped to encourage people to attend.

The draft diary had previously been considered at the Council Meeting on 23 January, 2020, which had given Members an earlier opportunity to comment and propose any amendments. Several changes had been made to the diary since this point largely due to Covid-19, which had resulted in a number of meetings being cancelled or rescheduled. Additionally a further change had been made to the dates of the Council Meetings in March 2021 and March 2022 to ensure that specific budgetary setting decisions being taken at these were taken to allow specific timescales to be met and ensure decisions were lawful.

RESOLVED that:-

- 1) Council approve the Diary of Meetings for 2020/21 and 2021/22 Municipal Years attached at Appendix A to the report; and
- 2) Note the schedule of Cabinet Meetings determined by the Mayor of Doncaster.

15 Council Appointments to Outside Bodies 2020/21.

Council were presented with a report that determined the appointment of Members to Council Outside Bodies for the 2020/21 Municipal Year.

Members had been provided with a hard copy of the nomination lists prior to the meeting as attached at Appendix A to the report and discussions had taken place in the Political Groups. The appendix also detailed a small number of outside bodies where no new appointments were required this year.

RESOLVED that Council approve the appointments to Outside Bodies as set out in Appendix A to the report.
