Report

To the Chair and Members of the

Date: 1 April 2020

LICENSING COMMITTEE

Yorkshire Wildlife Park, Hurst Lane, Auckley, Doncaster, DN9 3HQ –
Extension of Hearing time limits due to Covid 19 restrictions

EXECUTIVE SUMMARY

1. The committee is requested to consider whether it would be in the public interest as per section 11 of the Licensing Act 2003 (Hearing) Regulations 2003 to extend the time limit for the hearing of the Yorkshire Wildlife Park application for a premises licences.

RECOMMENDATIONS

2. That the Committee extends the time limits set out in the Licensing Act 2003 and associated legislation, for holding a hearing.

WHAT DOES THIS MEAN FOR THE CITIZENS OF DONCASTER?

3. It is hoped that this will enable all parties to attend a full public hearing and enable the licensing subcommittee to have all available evidence to make an informed decision on the licence application.

BACKGROUND

4. The Licensing Authority has received an application for a Premises Licence for the Yorkshire Wildlife Park, Doncaster
5. A summary of the application is attached as Appendix A to this report.
6. Under the Licensing Act 2003, statutory guidance issued under section 182 of the Act and the Licensing Authority's Statement of Licensing Policy, any licensing application under the Act in respect of which representations have been made to the Licensing Authority and which have not been withdrawn or resolved by mediation fall to be determined by the Licensing Sub-Committee having regard to the evidence before it.
7. A copy of the application has been sent to each of the Responsible

Authorities. Details of the application have been published on the Council website.

8. The Licensing Authority has received 41 objections.
9. The Licensing Authority is now required to hold a hearing within statutory time limits. On 23rd March 2020 the Government imposed restrictions on the movement and gathering of people. The Licensing Authority has considered options to ensure the hearing is carried out in accordance with the Government guidelines but given the number of people involved there is a concern that this is not possible. It is expected the current restrictions will lapse but the social distancing, the need to remain at least 2 metres apart from those not in the same household, will be in place for some time
10. The Licensing Authority have the power to amend the procedure at Hearings which can include holding a hearing remotely. Given the number of people involved this is not technically an option
11. The Licensing Act (Hearing) Regulations 2005 contain a power to extend time limits if it is necessary in the public's interest.

OPTIONS CONSIDERED

12. The Licensing Act 2003 requires the Licensing Authority to exercise its obligations on licence applications, which are the subject of representations and therefore no other option other than to hold a hearing can be considered. Holding a virtual or remote hearing has been considered but given the number of people involved this is not an option However in light of recent events it is in the public's best interest as per section 11 of the Licensing Act 2003 (Hearing) Regulations 2003 to extend the limit provided for in these regulations for a specified period.

REASONS FOR RECOMMENDED OPTION

13. This will enable all parties to attend a full public hearing and enable the licensing sub-committee to have all available evidence to make an informed decision on the licence application without the potential for putting the parties and the public at risk.
