RISKS AND ASSUMPTIONS

15. There are no risks or assumptions other than those referred to in the Legal Implications below.

LEGAL IMPLICATIONS [M-CC Date 24/3/22]

16. The Licensing Authority must ensure it complies with its obligations under the Licensing Act 2003 and associated Regulations which includes, but is not limited to the following:-

In considering an application, the committee must have regard to the 4 licensing objectives (Prevent crime and disorder, Prevent public nuisance, Public safety, Protection of children from harm), take into account the statutory guidance issued by the Home Office and the Council's Statement of Licensing Policy. The committee shall consider the application in accordance with both the Licensing Act 2003 and the Licensing Act 2003 (Hearings) Regulations 2005, and amending secondary legislation. The committee must make its decision based on evidence submitted in accordance with the

legislation and give reasons for reaching its decision.

The 2005 Regulations also set out the pre-hearing requirements including to whom notice of hearings and details of the representations received must be sent. The report confirms we have complied with the statutory requirements.

An appeal against the decision of the Licensing Authority may be made to the Magistrates' Court.

Legal advisors shall be present at the hearing to give specific legal advice.

FINANCIAL IMPLICATIONS [Officer R Taylor - Standard Implications Agreed 1/4/2021]

17. The costs associated with applications of this nature and their determinations are met from fees paid to the Council by applicants for Authorisations/Licences under the Licensing Act 2003 and there are no further financial considerations.

HUMAN RESOURCES IMPLICATIONS [Officer D Knapp - Standard Implications Agreed 1/4/2021]

18. There are no human resource implications to this type of report.

TECHNOLOGY IMPLICATIONS [Officer P Ward – Standard Implications Agreed 1/4/2021]

19. There are no specific technology implications in regards to this type of report. The Northgate M3 system is used to process the application and record the outcome of the decision.

HEALTH IMPLICATIONS [Officer R Suckling – Standard Implications Agreed 1/4/2021]

20. The Director of Public Health must be fully notified of applications and is entitled to make representations to the Licensing Authority in relation to the application for the grant, variation or review of a premises licence. These representations must still be considered 'relevant' and relate to one or more of the licensing objectives.
21. Such representations can potentially be made on the grounds of all four licensing objectives. Perhaps the most obvious example is where drunkenness leads to accidents and injuries from violence, resulting in attendances at emergency departments and the use of ambulance services. Some of these incidents will be reported to the Police, but many will not. Such information will often be relevant to the public safety and crime and disorder objectives.
22. There is also potential for health bodies to participate in the licensing process in relation to the protection of children from harm. This objective not only

concerns the physical safety of children, but also their moral and psychological wellbeing. In addition to the responsible authority whose functions relate directly to child protection, the Director of Public Health may also have access to relevant evidence to inform representations about child protection matters. These representations may include, amongst other things, the use of health data about the harms that alcohol can cause to underage drinkers. Where a responsible authority, or other person, presents evidence to the Licensing Authority linking specific premises with harms to children (such as ambulance data or emergency department attendances by persons under 18 years old with alcohol-related illnesses or injuries) this evidence should be considered, and the Licensing Authority should also consider what action is appropriate to ensure this licensing objective is effectively enforced. In relation to applications for the grant of a licence in areas where evidence is presented on high levels of alcohol-related harms in persons aged under 18, it is recommended that the Licensing Authority considers what conditions may be appropriate to ensure that this objective is promoted effectively.

EQUALITY IMPLICATIONS [H.Oxley 17/03/2021]

23. Decision makers must consider the Council's duties under the Public Sector Equality Duty at s149 of the Equality Act 2010. The duty requires the Council, when exercising its functions, to have 'due regard' to the need to eliminate discrimination, harassment and victimisation and other conduct prohibited under the act, and to advance equality of opportunity and foster good relations between those who share a 'protected characteristic' and those who do not share that protected characteristic. There are no specific equality implications arising from this report. However, any activities arising from this report will need to be the subject of separate 'due regard' assessments.

- (e) The Authority has the power to consider adjournments and an extension of time limits provided for within the Regulations on the basis it is in the public interest to do so. When a request for an adjournment or an extension of time is received the request is referred to the Chair for agreement provided the request can be accommodated in the statutory time frame. If this is not possible the matter shall be determined by the Committee at the prelisted hearing.

- (c) Where the hearing proceeds in the absence of a party, the Authority shall consider the application, representations or notice made by that party.

- (d) Where the hearing is adjourned, the Authority shall forthwith, notify the parties of the date, time and place to which the hearing has been adjourned.

Each party shall have equal maximum time in which to address the Committee. The Committee may take into account documentary or other information provided by a party before the hearing, or with the consent of all other parties at the hearing. The Committee may change the procedure in individual cases, upon the application of a party, or upon its own motion, if it considers it necessary to properly determine the business before it.

- (a) At the commencement of the hearing, the Chair will make introductions and establish that all parties understand the procedure to be followed. The Committee will then receive and determine any application that a party may wish to make to permit another person to appear at the hearing, and any application that any party wishes to make to vary the following order of addresses.
- (b) The Applicant may then address the Committee and provide any further information that the Authority have requested. At the conclusion of the Applicant's address, members of the Committee may ask the Applicant questions. If granted, the party or parties receiving permission may question the Applicant.
- (c) Other parties entitled to address the Committee or given permission to do so under paragraph (a) above, may then do so; and also provide to the Committee any information that the Authority have requested. Following the address, the members of the Committee may question the party addressing the Committee. 5. The Committee's Deliberations and Determination

- (e) Following the announcement of any determination of the application, representations or notice before the Committee, the hearing shall conclude.

6. Record of proceedings

A record of the hearing will be taken in a permanent and intelligible form. Any such record will be kept for a period of six years from the date that the application or review is finally determined (including any appeal or judicial review).

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
