| How will this contribute to improving health and wellbeing in Doncaster? |
|--|
| <p>The Director of Public Health Annual Report is an independent report on the health of Doncaster. Doncaster Council has agreed to its publication and the recommendations impact directly on the health of Doncaster people.</p> <p>The implementation of all the 2016 recommendations will be monitored by the Office of the Director of Public Health and an exception report will be provided to the Board.</p> |

Recommendations

The Board is asked to:-

REVIEW the progress made against the 2015 recommendations

NOTE the 2016 recommendations

AGREE three or four high impact areas for the Board to focus on in 2017. Potential high impact areas include:

‘Delicious Doncaster’ approach to food and nutrition

‘Get Doncaster Moving’ campaign to increase physical activity

Work with communities and community organisations to build connected, resilient and supportive communities, developing the learning from Stronger Families, Well North and social movements.

Adopt work as a health outcome, supporting people back into work and helping people with health issues in employment stay in work
