RECOMMENDATIONS

3. **The Committee is asked to;**
 - **Note the progress being made against the actions agreed at the previous committee meetings and**
 - **Advise if any further information / updates are required.**

WHAT DOES THIS MEAN FOR THE CITIZENS OF DONCASTER?

4. Regular review of the actions agreed from the Audit Committee meetings enables the Committee to ensure it delivers against its terms of reference and is responding to important issues for citizens and the borough. The action plan update helps support openness, transparency and accountability as it summarises agreed actions from reports and issues considered by the Audit Committee.

BACKGROUND

5. The Audit Committee Issues Log, which is updated for each Audit Committee meeting, records all actions agreed during previous meetings. Items that have been fully completed since the previous Audit Committee meeting are recorded once as complete on the report and then removed for the following meeting log. Outstanding actions remain on the log until completed.
6. Of the actions identified in the report, all except three are classified as “green”, either having been fully addressed or because arrangements are in hand to complete the actions as agreed. The one outstanding ‘Red’ rated item is in relation to the Solar Centre Contract Breach – Further reports will be provided to committee in October to update members on progress to address this issue.

The two amber rated items relates to a slight delay in the delivery and completion of training for Regulation of Investigatory Powers Act 2000 (RIPA) requirements.

OPTIONS CONSIDERED AND RECOMMENDED OPTION

7. There are no specific options to consider within this report as it provides an opportunity for the Committee to review and consider progress made against ongoing actions raised during previous Audit Committee meetings.
