WHAT DOES THIS MEAN FOR THE CITIZENS OF DONCASTER?

4. The Overview and Scrutiny function has the potential to impact upon all of the Council's key objectives by holding decision makers to account, reviewing

performance and developing policy. The Overview and Scrutiny of health is an important part of the Government's commitment to place patients at the centre of health services. It is a fundamental way by which democratically elected community leaders may voice the views of their constituents and require local NHS bodies to listen and respond. In this way, local authorities can assist to reduce health inequalities and promote and support health improvement. The Health and Adult Social Care Overview and Scrutiny Panel have been designated as having responsibility of carrying out the health scrutiny function.

BACKGROUND

5. Overview and Scrutiny has a number of key roles which focus on:
 - Holding decision makers to account
 - Policy development and review
 - Monitoring performance (both financial and non-financial)
 - Considering issues of wider public concern.

Joint Health Overview and Scrutiny Committee – Representation

Joint Health Overview and Scrutiny Committee (Yorkshire and Humber) - Adults and Children Cardiac

8. Since 2005, Doncaster has been signed up to a South Yorkshire Joint Health Scrutiny Protocol, enabling it to undertake joint health work with neighbouring local authorities. In 2009, a revised protocol was agreed in order to reflect issues concerning an increasingly wider geographical area.
9. To address these issues, a protocol was agreed by OSMC on the 11th March 2010 to enable 15 local authorities in the Yorkshire and Humber region to undertake scrutiny work together. It provides a framework for any number of authorities (from two to 15) to meet, investigate an issue and make recommendations, taking the best elements from all the sub-regional protocols that are currently in existence.
10. Regarding representation onto the committee, please refer to extract below (Para 7.3 as taken from the 'Protocol for the Yorkshire and the Humber Councils Joint Health Scrutiny Committee' report that went to OSMC) which states: -

"In accordance with the above, a Joint Committee will be composed of Councillors drawn from Yorkshire and the Humber local authorities in the following terms:-
 - where 9 or more Yorkshire and the Humber local authorities participate in a Joint Health Scrutiny Committee – the Chair (or Chair's representative) of each participating authority's Overview and Scrutiny Committee responsible for health will become a member of the Joint Health Scrutiny Committee;"
11.
