Dear Sir/Madam

This is an objection in reference to the new application for Everyday Best, The Plant Hotel, 6 Hexthorpe road, DN4 0BG to sell alcohol from the hours of 07:00-00:00 and Friday and Saturday from 07:00-01:00 . I would like to raise the following concern before an application is granted. There are 4 off-licences on Hexthorpe Road and another on Urban Road at this present moment all within 100 meters of each other. How many more do we need ??? .Residents like my self and others who have lived here in Hexthorpe for a long time have endured a dramatic rise in anti-social behaviour and other forms of crimes. You only realise the impact of this when you actually reside here I objected to EDA supermarket 60 Hexthorpe road but it was obviously ignored and now you should see the large groups of people who congregate out side there premises ,not a day goes by where I have to ring the council or the police to complain about the disturbances which are all fuelled by alcohol.

Please do consider this matter from a resident point of view enough is enough.

Kindest regards

Mr Attif Nazir Postmaster
New Hexthorpe Post Office
30 Hexthorpe Road
