

Received by the Licensing Service on 08.08.2017

Re: Everyday Best, The Plant Hotel, 6 Hexthorpe Road, Hexthorpe, Doncaster, DN4 0BG

I have been previously been contacted by residents of Hexthorpe who have expressed concern over the application for an Off-License a "Sale of Alcohol (Off only)" application for the premises under the business name of " Everyday Best ".

I understand that if any objection is to be presumed valid it must meet be in relation to the four licensing objectives which are:

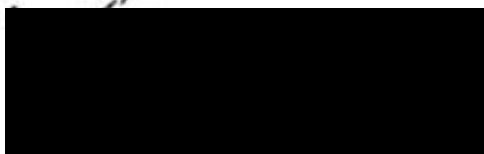

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance;
- The protection of children from harm.

Therefore, over the past 3 years there has been incidents of Anti-social behaviour that has required intense intervention from the Police, DMBC and voluntary groups in the Hexthorpe area. There is currently a Public Space Protection Order and a Landlord Licensing Scheme in place in Hexthorpe. There is a community concern that any further outlet has the potential to promote additional occurrences of ASB.

In addition to these concerns, it has been noted that the Licensing Hours do seem to commence very early and extend into the late hours of the night into the morning. We believe this is wholly inappropriate.

Please note our concerns.

Regards
