COUNCIL TAX SETTING AND STATUTORY RESOLUTIONS 2018/19

Relevant Cabinet Member(s)	Wards Affected	Key Decision
Mayor Ros Jones	All	Yes

EXECUTIVE SUMMARY

- 1. This report sets out how the Council Tax is calculated and makes recommendations regarding Doncaster's Council Tax requirement for 2018/19.
- It is proposed that Doncaster Council's element of the Band D Council Tax charge is increased by 3.99% to £1,287.20 (£858.13 for a Band A, which is an increase of £0.63 per week).
- 3. The increase in Council Tax is made up of 2 elements the core Council Tax and the Adult Social Care Precept.
- 4. The proposals include an increase in the core Council Tax of 1.99%, as set out in the 2018/19 Revenue Budget report to cover other expenditure.
- 5. In the 2015 Autumn Statement, former Chancellor George Osborne allowed authorities with Adult Social Care responsibilities to increase its relevant basic amount of Council Tax from April 2016 by up to an additional 2% without holding a referendum, to assist it in meeting expenditure on Adult Social Care functions. The proposals include an increase in the Adult Social Care precept of 2.00%, which equates to £2.0m in additional income for the Council. This will contribute towards the pressures for Adults, Health & Wellbeing including price inflation, pay inflation, investment in the care ladder and growth in the number of clients from projected changes in the population.
- 6. The overall increase will mean an additional £49.39 for Band D Council Tax per annum, £0.95 per week (£32.93 for Band A per annum, £0.63 per week).

EXEMPT REPORT

7. Not applicable.

RECOMMENDATIONS

8. Council is requested to approve a Band D Council Tax for 2018/19 of £1,287.20 for Doncaster Council services. Council is also requested to pass the appropriate Statutory Resolutions, as set out and recommended at Appendix B, which incorporate the Council Taxes of the Joint Authorities and which, taken together with Doncaster's 3.99% increase, represent a 4.33% increase from the 2017/18 Council Tax for Doncaster residents.

WHAT DOES THIS MEAN FOR THE CITIZENS OF DONCASTER?

- 9. The citizens of Doncaster can expect to see their Council Tax for Council services increase by 3.99%. The Police and Fire increases are 7.59% and 2.97% respectively, making an overall increase of 4.33% (see table at paragraph 25).
- 10. The average Parish Council Tax across the whole Doncaster Council area has increased by 7.06%.
- 11. The Government have indicated that there will be no referendum principles for Parish Councils for 2018/19 but that these could be introduced for future years if necessary, to 'provide protection for local taxpayers'.

BACKGROUND

12. The Council, under the Local Government Finance Act 1992, is required to set the Council Tax for its area. The amount is based upon the capital value of each dwelling calculated by reference to their capital value at 1st April, 1991 prices. Properties are placed in one of eight valuation bands by the Valuation Office Agency which is part of Her Majesty's Revenues and Customs: -

	Open Market Value as at 1 st April 1991
Band A	Not exceeding £40,000
Band B	Over £40,000 but no exceeding £52,000
Band C	Over £52,000 but not exceeding £68,000
Band D	Over £68,000 but not exceeding £88,000
Band E	Over £88,000 but not exceeding £120,000
Band F	Over £120,000 but not exceeding £160,000
Band G	Over £160,000 but not exceeding £320,000
Band H	Exceeding £320,000

13. When Council Tax proposals were first issued by the Government in April, 1991 it was estimated that the average property value in England was about £80,000. Such a property would be in Band D and as a result, many of the calculations are carried out by reference to Band D. For example, when the level of Council Tax is calculated, a Band D Tax is calculated initially and the taxes for all other bands are then calculated as proportions of that. Council Tax is based on two or more adult occupants occupying the property as their sole or main residence. In appropriate circumstances, where a single adult occupies a property as their sole or main residence, a 25% single person discount can be awarded.

14. The table below shows, for Doncaster, the number and percentage of dwellings in each band which were shown in the Valuation List as at the 1st December 2017 when the Tax Base was calculated: -

	Number	Percentage
Band A	80,138	58.86
Band B	24,523	18.01
Band C	14,847	10.91
Band D	9,087	6.67
Band E	4,470	3.28
Band F	2,062	1.52
Band G	896	0.66
Band H	127	0.09
Total	136,150	100.00

15.As such a high percentage of dwellings in Doncaster are in the lower bands (87.78% are banded below the average Band of D), this has the effect of considerably reducing the amount of income the Council can achieve from Council Tax.

Council Tax Calculation – Doncaster MBC Services

- 16. Doncaster Council is a "billing authority"; this means the Council is responsible for preparing the Council Tax Base, setting the Council Tax, billing and collection of Council Tax and maintaining the Collection Fund.
- 17. The Police and Fire authorities and Parishes calculate and set their own elements and Doncaster, as the billing authority, then formally sets the overall tax by adding the elements together.
- 18. The billing authority has to maintain a Collection Fund; this is a separate statutory account from the General Fund. The Collection Fund receives Council Tax and Business Rates income and pays out the demands and precepts made upon it by the Council, the Police and Crime Commissioner, the South Yorkshire Fire and Rescue Authority, Central Government and Parish Councils for Council Tax and Business Rates.
- 19. The Council Tax Base of an equivalent of 80,672 Band D properties for 2018/19 was approved by the Chief Financial Officer and Assistant Director of Finance on 10th January 2018; this is recorded in an Officer Decision Record. This is an increase of 1,577 Band D equivalent properties to the Tax Base, which delivers £2.0m additional income in 2018/19.
- 20. The financial year 2018/19 is the sixth year since major changes to the funding arrangements for Local Government came into effect. The changes affected the way Council Tax bases were calculated and removed certain discounts and exemptions and replaced them with discretionary powers to grant discounts and charge premiums on long term empty properties and brought local Council Tax Support into the calculation of the Tax Base.
- 21. The gross revenue expenditure budget for 2018/19 will be £477.6m, which covers all funding sources, including Retained Business Rates, Government Top-Up Grant, Revenue Support Grant, Council Tax, Collection Fund surplus, Specific Grants, Customer and Client Receipts and other income. The figure provided for the Collection Fund surplus for Council Tax is in accordance with legislative requirements to return surpluses on the Collection Fund to taxpayers and precepting authorities.

- 22. Appendix A shows how the Council Tax is calculated for the Council's services, based on a gross revenue budget of £477.6m. The Government Top-Up Grant and Revenue Support Grant income included in the calculation is that notified to the Council by the Government on 6th February 2017.
- 23. Dividing the Council Tax Base into the net amount required from Council Tax payers, excluding Parish Precepts, gives a Council Tax (Band D) for the Council's own services of £1,287.20, a 3.99% increase (£1,237.81 in 2017/18).

Joint Authority Precepts and Council Taxes

- 24. The South Yorkshire Fire and Rescue Authority met on 19th February 2018 to set its precept and Council Tax. It has notified the Council of a Band D Council Tax of £71.01 for 2018/19 which equates to an increase of £2.05 from 2017/18 (a 2.97% increase). The South Yorkshire Police and Crime Commissioner met on the 8th February 2018 to set its precept and Council Tax. It has notified the Council of a Band D Council Tax of £170.16 for 2018/19 which equates to an increase of £12.00 from 2017/18 (a 7.59% increase which, although more than the general referendum limit, will not trigger a referendum. This is because the Government has made an exception for Police and Crime Commissioners to increase their precept by up to £12.00 and the South Yorkshire Police & Crime Commissioner qualifies under this rule). The increases notified and proposed by the Joint Authorities have been included in the resolutions set out at Appendix B.
- 25. The table below shows the total Council Tax for Doncaster residents is £1,528.37 (£1,464.93 in 2017/18) for a Band D property, assuming the Council approves the Council Tax of £1,287.20 for Doncaster Council services. When the Joint Authority Council Tax increases are combined with the 3.99% increase for Doncaster Council, this represents a 4.33% increase from the 2017/18 Council Tax for Doncaster residents.

	2017/18 Band D £	2018/19 Band D £	Increase %	Annual Increase Band A £	Annual Increase Band D £
Doncaster	1,237.81	1,287.20	3.99	32.93	49.39
S.Y. Police	158.16	170.16	7.59	8.00	12.00
S.Y. Fire	68.96	71.01	2.97	1.37	2.05
Total	1,464.93	1528.37	4.33	42.30	63.44

Localisation of Council Tax Support and Parish Council Taxes

26. The Council Tax Benefit system was abolished and replaced with a Localised Council Tax Support (LCTS) Scheme from April 2013, which is now classed as a Council Tax discount in the Tax Base, similar to the single person's discount. This has had the effect of reducing the Council Tax Base. Under this Scheme each Council in 2013/14 received a fixed grant to partly compensate for the reduction in Council Tax income resulting from the lower Council Tax Base due to this new discount. Government figures show that the Council received grant funding of £17.1m (£16.8m for the Council and £0.3m for parishes) to fund this in 2013/14, although the grant only covered 90% of the 2012/13 benefits and protected pensioners. This grant funding formed part of the Council's Baseline Funding for 2013/14, comprising Retained Business Rates, Revenue Support Grant and Top-Up Grant. Since the 2013/14 Finance Settlement the Government has not published revised grant allocations for these headings and does not intend to in future, even though Central Government funding for local authorities has continued to reduce significantly.

- 27. Changes to Parish Council Taxes are included in Appendix C below and a summary of increases is set out in the table below. The average Band D Parish Council Tax across the whole Doncaster Council area has increased from £25.50 in 2017/18, to £27.30 in 2018/19, an increase of 7.06%. The Government have confirmed that the referendum principles applying to local authorities and major preceptors, will not apply to Parish Councils until at least 2020/21.
- 28. Council approved an annual reduction in the grant it distributes to Parish Councils of 10% in 2015/16 and 2016/17, having made no reduction in 2014/15 when the Council's grant was cut by 10% (Revenue Budget 2015/16 Report agenda item 7) or in 2017/18. The remainder of the grant will be phased out from its current level of £252k in 2017/18 to zero in 2020/21 reductions of £64k in 2018/19 and £94k in both 2019/20 and 2020/21.
- 29. A summary of the increases in Parish precepts for 2018/19 is shown in the table below: -

Percentage Increase	No. of Parishes	% of the Total
Freeze or Reduction	9	23.1
0% - 5%	20	51.3
5% - 10%	4	10.2

RISKS AND ASSUMPTIONS

33.Not applicable.

LEGAL IMPLICATIONS [Officer Initials SRF Date 21st FEBRUARY 2018]

- 34. The Local Government Finance Act 1992 places a duty on Local Authorities to set an amount of Council Tax on or before 10th March, in the financial year preceding that for which it is set. The setting of the Tax involves a series of processes and calculations resulting in a separate amount of Tax for properties in each of the eight bands (A to H) in which properties have been valued under the 1992 Act.
- 35. The Localism Act 2011 introduced a new Chapter into the Local Government Finance Act 1992 which makes provision for Council Tax referendums to be held if an authority increases its Council Tax by an amount exceeding principles determined by the Secretary of State. The Local Government Finance Act 1992 together with The Referendums relating to Council Tax Increases (Principles) (England) Report 2018/19 allow local Authorities to increase Council Tax by 6% (3% on Adult social Care and 3% on all other expenditure) without the need to hold a referendum on the increase. The amount suggested by Doncaster MBC falls below the maximum increase allowed for.

FINANCIAL IMPLICATIONS [Officer Initials...RI... Date...23.02.18]

36. These are contained within the body of this report.

HUMAN RESOURCES IMPLICATIONS [Officer Initials...MLV Date...21/02/18]

37. There are no specific HR implications related to the content of this report.

TECHNOLOGY IMPLICATIONS [Officer Initials... PW Date 21/02/18]

38. There are no technology implications in relation to this report.

HEALTH IMPLICATIONS [Officer Initials RS Date 20/02/2018]

39. The choices the council makes in raising revenue will impact on the health of the population. Decision makers should balance the requirement to raise resource as part of the overall funding of council activities and the health benefits that may arise though the use of council tax across a range of service areas (bearing in mind in general 20% of what contributes to health and wellbeing is due to clinical care, 30% due to behavioural factors, 40% due to socio-economic factors and 10% due to the built environment) with the health benefits that directly arise from improving the standard of living for Doncaster residents through ensuring the local council tax burden is fairly distributed.

EQUALITY IMPLICATIONS

- 40. In taking this decision, Members must be aware of their obligations under Section 149 of the Equality Act 2010. This Section contains the Public Sector Equality Duty (PSED). It obliges public authorities, when exercising their functions, to have 'due regard' to the need to:
 - a. eliminate discrimination, harassment and victimisation and other conduct which the Act prohibits;
 - b. advance equality of opportunity;
 - c. foster good relations between people who share relevant protected characteristics and those who do not; and
 - d. the relevant protected characteristics under the Equality Act are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation.
- 41. In setting out the recommendation, it is essential that Members keep an open mind. A final decision can only be made when the decision-makers fully understand and have 'due regard' to the potential impact of their decision on people with relevant protected characteristics under the Public Section Equality Act Duty. The decision-makers must consciously and actively consider the relevant matters in such a way that it influences the decision-making.

CONSULTATION

42. The report follows on from the Revenue Budget 2018/19 report and deals primarily with mathematical calculations to approve the Council Tax and the Council Tax requirement as set out in legislation.

Referenda

43. The Localism Act 2011 made significant changes to the Local Government Finance Act 1992 and requires the Council to set a Council Tax requirement for 2018/19. This requirement is to help the Council to determine if it has set an excessive Council Tax increase that would in turn trigger a local referendum.

- 44. Authorities are required to seek approval of their electorate in a referendum if any proposed tax increase exceeds the principles set by Parliament. The Government have confirmed the Council Tax Referendum Cap at 6.0% for 2018/19 for all authorities who have decided to implement up to the maximum 3.0% increase ring fenced precept to fund Adult Social Care. The referendum cap would apply on the Band D Tax of the Authority without any adjustments being made for levying bodies such as the Sheffield City Region Combined Authority Transport Levy.
- 45. Section 52ZB(a) of the Local Government Finance Act 1992 provides for the holding of a referendum where a Local Authority in England sets an excessive increase in its relevant basic amount of Council Tax for a financial year. The set of principles determined by the Secretary of State on whether the Council Tax is excessive for the financial year beginning 1st April 2018 is provided for in section 52ZC(1) of the Local Government Finance Act 1992. The arrangements for any referendum is contained in section 52Z(g). The change to the use of the actual Band D Tax of the Authority is provided for by Section 41 of the Local Audit and Accountability Act 2014 which came into force on the 30th January 2014 and the Local Authorities (Conduct of Referendums) (Council Tax Increases) (England) Regulations 2012 as amended. The Referendums relating to Council Tax Increases (Principles) (England) Report 2018/19 sets the referendum limit at 6% for an Adult Social Care authority.
- 46. The Government have indicated that there will be no referendum principles for Parish Councils for 2018/19 but that these could be introduced for future years if necessary, to 'provide protection for local taxpayers'.

47. The proposed Council Tax i	ncrease of 3.99% for this year presents no risk of a
referendum being required.	Details of the calculation are set out below:-

Tax Base 2017/18 (79,095 Properties) Tax Base 2018/19 (80,672 Properties)	2017/18 £M	2017/18 Amount per Band D Property £	2018/19 £M	2018/19 Amount per Band D Property £
Total Council Tax Requirement	97.905	1,237.81	103.841	1,287.20
% Change in Council Tax for Referendum Assessment	3.99			

48. The Ministry of Housing, Communities & Local Government (MHCLG) have laid regulations on the 12th January 2017. The Council Tax (Demand Notices) (England) (Amendment) Regulations 2017, which amend the 2011 regulations, specify the detail they require to be shown on the Council Tax bill to cover the details of the new Social Care precept and what is required in supporting information. The regulations which came into force on the 10th February 2017 specify that any increase, when compared to the previous year, must be shown to one decimal place. This means that a % increase of 3.95% or above would be shown as 4.0% on the face of the Council Tax bill. This is purely a rounding issue and presents no risk of a referendum being required.
