Proposed by: **Councillor Sue McGuinness**

Seconded by: **Councillor Susan Durant**

For: 5 Against: 1 Abstain: 0

Decision: Planning permission granted subject to the amendment to and addition of the following Conditions:-

17.

Part A (pre-commencement)

No development, including any demolition and groundworks, shall take place until the applicant, or their agent or successor in title, has submitted a Written Scheme of Investigation (WSI) that sets out a strategy for archaeological investigation and historic building recording that has been approved in writing by the Local Planning Authority. The WSI shall include:-

- The programme and method of site investigation and recording.**
- The requirement to seek preservation in situ of identified features of importance.**
- The programme for post-investigation assessment.**
- The provision to be made for analysis and reporting.**
- The provision to be made for publication and dissemination of the results.**

- The provision to be made for deposition of the archive created.
- Nomination of a competent person/persons or organisation to undertake the works.
- The timetable for completion of all site investigation and post-investigation works.

Part B (pre-occupation/use)

Thereafter the development shall only take place in accordance with the approved WSI and the development shall not be brought into use until the Local Planning Authority has confirmed in writing that the requirements of the WSI have been fulfilled or alternative timescales agreed.

REASON

To ensure that any archaeological remains present, whether buried or part of a standing building, are investigated and a proper understanding of their nature, date, extent and significance gained, before those remains are damaged or destroyed and that knowledge gained is then disseminated.

19.

Redevelopment

1-2 Market Place and 8 Silver Street shall not be demolished before a contract for carrying out of works of redevelopment of their immediate sites has been made and submitted to and agreed in writing by the Local Planning Authority.

REASON

To safeguard the character and appearance of the Conservation Area.

20. Bricks

Prior to the commencement of relevant works a one-metre-square sample panel(s) of brickwork showing the pointing and bonding to be used in the construction of the building shall be constructed on site and the details approved in writing by the Local Planning Authority. Bricks shall match those of 1/2 Market Place and be red/brown in colour either reclaimed or of a handmade appearance. The approved panel shall be retained on site until construction of the building has been completed. Development shall be carried out in accordance with the approved details.

REASON

To preserve and enhance the character and appearance of the Conservation Area.

21. Render

Prior to the commencement of relevant works a one-metre-square sample panel of render showing the finish and colour to be used in the construction of the building shall be provided on site and the details approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

REASON

To preserve and enhance the character and appearance of the Conservation Area.

22. Roof

Prior to the commencement of relevant works samples of the roof covering including ridge tiles shall be provided on site for inspection and approved in writing by the Local Planning Authority. Unless otherwise agreed in writing by the Local Planning Authority natural red clay non-interlocking pantiles shall be used on the roof of the replacement '1/2 Market Place' and natural slate shall be used on the roof of the replacement of '8 Silver Street'. Ridge tiles to be in terracotta. Development shall be carried out in accordance with the approved details.

REASON

To preserve and enhance the character and appearance of the Conservation Area.

23. Windows

Prior to the commencement of relevant works, full details of the proposed design of all windows shall be submitted to and approved in writing by the Local Planning Authority. The details shall include an elevation at 1:20 scale of each window type, and 1:5 scale cross-sections showing details, including the heads and sills of all types of openings. The windows should be recessed approximately 100mm in their openings. All windows shall be vertically sliding sash timber windows and shall be in timber, unless otherwise agreed in writing by the Local Planning Authority. All windows to be white/off white unless otherwise agreed in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

REASON

For the avoidance of doubt, and preserving and enhancing the character and appearance of the Conservation Area.

24. Stone

All window sills, the quoins to '1/2 Market Place, the first floor stringcourse on the replacement '8 Silver Street' and the coping to the brick walls of the single storey element shall be in natural stone. Prior to commencement of relevant works samples of the stone shall be provided on site for the inspection and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

REASON

For the avoidance of doubt, and preserving and enhancing the character and appearance of the Conservation Area.

25. Shopfront

Notwithstanding details submitted, prior to the commencement of relevant works, full details of the proposed shopfront shall be submitted to and approved in writing by the Local Planning Authority. The details shall include an elevation at 1:20 scale of each shopfront type, and 1:5 scale cross-sections showing details, including the pilasters, pilaster tops, fascias, cornices, stallrisers, mullions, sills, plinths and doors. All the elements apart from the glazing shall be timber unless otherwise agreed in writing by the Local Planning Authority. All timberwork of the shopfronts to be dark grey, black or an agreed traditional dark colour unless otherwise agreed in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

REASON

For the avoidance of doubt, and preserving and enhancing the character and appearance of the Conservation Area.

26. Rainwater goods

Rainwater goods and any fascias shall be black or a dark colour to be approved in writing by the Local Planning Authority. Notwithstanding submitted details, prior to commencement of relevant development details of the downpipes to the single storey rear element shall be submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

REASON

For the avoidance of doubt, and preserving and enhancing the character and appearance of the Conservation Area.

27. Chimneystacks

Prior to the commencement of relevant works, full details of the proposed designs of the chimney stacks shall be submitted to and approved in writing by the Local Planning Authority. The details shall include an elevation at 1:20 scale, and 1:5 scale cross-sections showing detailing. Samples of any chimney pots shall be provided on site for inspection by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

REASON

For the avoidance of doubt, and preserving and enhancing the character and appearance of the Conservation Area.

28. Services

Prior to commencement of relevant work, details of the proposed design, size, materials and location of any flues, vents and/or meter boxes to the shall be submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

REASON

For the avoidance of doubt, and preserving and enhancing the character and appearance of the Conservation Area.

29. Roller shutter/door

Prior to the commencement of relevant works, full details of the proposed roller shutter and door to the service area shall be submitted to and approved in writing by the Local Planning Authority. Notwithstanding details shown no part of the roller shutter, including its housing, shall protrude in front of the main face of the wall. Development shall be carried out in accordance with the approved details.

REASON

For the avoidance of doubt, and preserving and enhancing the character and appearance of the Conservation Area.

30. Boundaries

Prior to the commencement of relevant works, details of all boundaries shall be submitted to approved in writing by the Local Planning Authority. All boundaries to be tall brick walls samples of the brick shall be provided on site for the inspection and approval in writing by the Local Planning Authority. Included shall be details of the repair of the wall on the boundary with 1 Silver Street and which shall be carried out prior to the commencement of the use of the site unless otherwise agreed in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

REASON

For: 6 Against: 0 Abstain: 0

Decision: Planning permission granted subject to the amendment to Condition 02, the deletion of Conditions 07 and 08 and replaced with a new Condition 07, the deletion of Condition 11 and the addition of Highway Conditions and Informatives, to read as follows:-

02.

The development hereby permitted shall be carried out in complete accordance with the details shown on the amended plans referenced and dated as follows:-

Drawing No CS/02012/1C received 08.01.2018

Drawing No CS/02012/2C received 08.01.2018

REASON

To ensure that the development is carried out in accordance with the application as approved.

07.

Prior to the commencement of the development hereby granted a scheme for the protection of the root protection area of the walnut tree that complies with clause 6.2 of British Standard 5837: 2012 Trees in Relation to Design, Demolition and Construction - Recommendations shall be submitted to and approved in writing by the Local Planning Authority. Tree protection shall be implemented on site in accordance with the approved details and the local planning authority notified of implementation to approve the setting out of the tree protection scheme a minimum of 5 working days before any equipment, machinery or materials have been brought on to site for the purposes of the development. Thereafter, all tree protection shall be maintained in full accordance with the approved details until all equipment, machinery and surplus materials have been removed from the site, unless the local planning authority gives its written approval to any variation. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the Local Planning Authority.

REASON

To ensure that all trees are protected from damage during construction in accordance with core strategy policy CS16: Valuing our natural environment.

11. Access surfacing

Before the development is brought into use, the access should be surfaced in a bound permeable material for a distance of 10 metres in to the site (as measured from the point the access meets Dadsley Road) in a manner to be approved in writing by the Local Planning Authority.

REASON

To ensure a suitable surface for the access in the interests of public safety.

12. HIGH11

The development hereby approved shall not be brought into use until a crossing over the footpath/verge has been constructed in accordance with a scheme previously approved in writing by the Local Planning Authority.

REASON

To avoid damage to the verge.

Highways Informatives

Any works carried out on the public highway by a developer or any one else other than the Highway Authority shall be under the provisions of Section 278 of the Highways Act 1980. The agreement must be in place before any works are commenced. There is a fee involved for the preparation of the agreement, and for on site inspection. The applicant should make contact with Malcolm Lucas, Tel. 01302 745110. Email. Malcolm.lucas@doncaster.gov.uk as soon as possible to arrange the setting up of the agreement.

The developer shall ensure that no vehicle leaving the development hereby permitted enter the public highway unless its wheels and chassis are clean. It should be noted that to deposit mud and debris on the highway is an offence under provisions of The Highways Act 1980.
