To the Chair and Members of the

LICENSING SUB-COMMITTEE

Licensing Act 2003 – Application for a Review of an Existing Premises Licence.

Windhill Convenience Store, 119 Hirst Gate, Mexborough, Doncaster, S64 0DY

EXECUTIVE SUMMARY

1. To request that members of the Sub-Committee determine the application for a review of an existing premises licence in respect of Windhill Convenience Store, 119 Hirst Gate, Mexborough, Doncaster, S64 0DY. The procedure for considering the application is set out at Appendix A.

RECOMMENDATIONS

2. It is recommended that the Sub-Committee determine this application having regard to the representations made and the evidence before it.

WHAT DOES THIS MEAN FOR THE CITIZENS OF DONCASTER

3. The Licensing Act 2003 requires the Licensing Authority to exercise its obligations on applications for a review of a premises licence.

BACKGROUND

4. The premises concerned are currently a convenience store licensed to sell alcohol for consumption off the premises.

5. The application for a review of the premises licence has been brought by Doncaster Trading Standards who are a Responsible Authority under the Licensing Act 2003.

6. The application to review relates to ‘the prevention of crime and disorder’ and ‘public safety’ licensing objectives. The grounds include that illicit tobacco has been sold from these premises during a test purchase operation carried out by Trading Standards. A search of the premises carried out by Trading Standards and South Yorkshire Police resulted in the seizure of a quantity of
illicit cigarettes and hand rolling tobacco.

7. A summary of the application is attached as Appendix B to this report.

8. Mr Glynn Stead & Mr Morteza Sharemi have jointly held the premises licence since it was granted in April 2015. Mr Glynn Stead has also been the Designated Premises Supervisor (DPS) since the licence was granted.

9. A location plan of the premises is attached at Appendix C.

10. A copy of the application is attached at Appendix D.

11. Under the Licensing Act 2003, statutory guidance issued under section 182 of the Act and the Licensing Authority’s statement of Licensing Policy, any licensing application under the Act, for a review of a premises licence must be determined by the Licensing Sub-Committee having regard to the evidence before it.

12. A representation in support of the review has been received from South Yorkshire Police. A copy of the representation is attached at Appendix E.

13. The premises licence, which shows the permitted licensable activities and conditions, is reproduced at Appendix F.

14. The applicant has indicated that a copy of the application for review was sent to the Premises Licence Holder and Responsible Authorities.

OPTIONS CONSIDERED

15. The Licensing Act 2003 requires the Licensing Authority to exercise its obligations on applications for a review of a premises licence and therefore no option, other than to hold a hearing, can be considered.

16. Where the Licensing Authority considers that action under its statutory powers is appropriate, it may take any of the following steps:

- Modify the conditions of the premises licence
- Exclude a licensable activity from the scope of the licence
- Remove the designated premises supervisor
- Suspend the licence for a period not exceeding three months
- Revoke the licence

<tr>
<td>18. There are no risks or assumptions other than those referred to in the Legal Implications below.</td>

**LEGAL IMPLICATIONS [Officer Initials HW Date 2/3/18]**

19. The Licensing Authority must ensure it complies with its obligations under the Licensing Act 2003 and associated Regulations which includes, but is not limited to the following:-

In considering an application, the committee must have regard to the 4 licensing objectives as referred to above and take into account of the statutory guidance issued by the Home Office and the Council’s statement of licensing policy. The committee shall consider the application in accordance with both the Licensing Act 2003 and the Licensing Act 2003 (Hearings) Regulations 2005, and amending secondary legislation. The committee must make its decision based on evidence submitted in accordance with the legislation and give reasons for reaching its decision.
An appeal against the decision of the licensing authority may be made to the Magistrates' Court.

Legal advisors shall be present at the hearing to give specific legal advice.

FINANCIAL IMPLICATIONS [RT 28/02/18]

20. The costs associated with the application and their determinations are met from fees paid to the Council by applicants for Premises Licences under the Licensing Act 2003 and there are no further financial considerations.

HUMAN RESOURCES IMPLICATIONS [Officer D Knapp Standard Implications Agreed 14/2/2018]

21. There are no human resource implications to this report.

TECHNOLOGY IMPLICATIONS [Officer P Ward – Standard Implications Agreed 19/2/18]

22. There are no specific technology implications. The Northgate M3 system is used to process the application and record the outcome of the decision.

HEALTH IMPLICATIONS [Officer R Suckling – Standard Implications Agreed 12/2/2018]

23. The Director of Public Health must be fully notified of applications and is entitled to make representations to the licensing authority in relation to the application for to the grant, variation or review of a premises licence. These representation must still be considered 'relevant' and relate to one or more of the licensing objectives.

24. Such representations can potentially be made on the grounds of all four licensing objectives. Perhaps the most obvious example is where drunkenness leads to accidents and injuries from violence, resulting in attendances at emergency departments and the use of ambulance services. Some of these incidents will be reported to the police, but many will not. Such information will often be relevant to the public safety and crime and disorder objectives.

25. There is also potential for health bodies to participate in the licensing process in relation to the protection of children from harm. This objective not only concerns the physical safety of children, but also their moral and psychological wellbeing. In addition to the responsible authority whose functions relate directly to child protection, the Director of Public Health may also have access to relevant evidence to inform representations abut child protection matters. These representations may include, amongst other things, the use of health data about the harms that alcohol can cause to underage drinkers. Where a responsible authority, or other person, presents evidence to the licensing authority linking specific premises with harms to children (such as ambulance data or emergency department attendances by persons under 18 years old with alcohol-related illnesses or injuries) this evidence should be considered, and the licensing authority should also consider what action is appropriate to ensure this licensing objective is effectively enforced. In relation to applications for the grant of a licence in areas where evidence is presented
on high levels of alcohol-related harms in persons aged under 18, it is recommended that the licensing authority considers what conditions may be appropriate to ensure that this objective is promoted effectively.

EQUALITY IMPLICATIONS [Officer D Smith 28/02/2018]

26. Decision makers must consider the Council’s duties under the Public Sector Equality Duty at s149 of the Equality Act 2010. The duty requires the Council, when exercising its functions, to have ‘due regard’ to the need to eliminate discrimination, harassment and victimisation and other conduct prohibited under the act, and to advance equality of opportunity and foster good relations between those who share a ‘protected characteristic’ and those who do not share that protected characteristic. There are no specific equality implications arising from this report. However, any activities arising from this report will need to be the subject of separate ‘due regard’ assessments.

A party and any person assisting or representing a party, may be treated as a member of the public.

(c) The Authority may exclude from a public hearing any person attending who acts in a disruptive manner, and refuse to re-admit that person, or impose conditions on his/her re-admission. Any such excluded person may, before the end of the hearing, submit to the Authority in writing any such information that he/she would have been entitled to give orally.

(d) The Authority may dispense with a hearing if all of the persons required by the Act agree that a hearing is unnecessary, have given notice to the Authority that they consider a hearing to be unnecessary, and the Authority have given notice to all parties that the hearing has been dispensed with.

The Committee may take into account documentary or other information provided by a party before the hearing, or with the consent of all other parties at the hearing. The Committee may change the procedure in individual cases, upon the application of a party, or upon its own motion, if it considers it necessary to properly determine the business before it.

(a) At the commencement of the hearing, the Chair will make introductions and establish that all parties understand the procedure to be followed. The Committee will then receive and determine any application that a party may wish to make to permit another person to appear at the hearing, and any application that any party wishes to make to vary the following order of addresses.
