 - ii. Note that the work plan is a living document and will be reviewed and updated at each meeting of the Panel to include any relevant correspondence, updates, new issues and resources available to meet additional requests;

- iii. Note the appointment of the Joint Health Overview and Scrutiny Committee (Commissioning Working Together (CWT)).

WHAT DOES THIS MEAN FOR THE CITIZENS OF DONCASTER?

4. The Overview and Scrutiny function has the potential to impact upon all of the Council's key objectives by holding decision makers to account, reviewing performance and developing policy. The Overview and Scrutiny of health is an important part of the Government's commitment to place patients at the centre of health services. It is a fundamental way by which democratically elected community leaders may voice the views of their constituents and require local NHS bodies to listen and respond. In this way, Local Authorities can assist to reduce health inequalities and promote and support health improvement. The Health and Adult Social Care Overview and Scrutiny Panel have been designated as having responsibility of carrying out the health scrutiny function.

BACKGROUND

5. Overview and Scrutiny has a number of key roles which focus on:
 - Reviewing decisions made by the Executive of the Council
 - Policy development and review
 - Monitoring performance (both service indicators and financial)
 - Considering issues of wider public concern.

Health and Adult Social Care Overview and Scrutiny Workplan Update

6. Attached for the Panel's consideration at Appendix A is the draft work plan. This work plan takes account of issues considered at the informal Health and Adult Social Care Overview and Scrutiny work planning meeting held on 11th June, 2018, and subsequently considered at the OSMC meeting held on 28th June 2018. Any further updates since the publication of this report will be provided to the Panel at the meeting.

Monitoring the Work Programme

7. An updated version of the work plan will be regularly presented to the Health and Adult Social Care Overview and Scrutiny Panel for consideration and this will include copies of correspondence and briefings in relation to recommendations resulting from Scrutiny Panel reviews and meetings. In this way, Members will be able to see more clearly the progress and impact being made. The work of OSMC and the Panels will be reported annually to full Council and the progress of the standing Panels will be reported to OSMC and where appropriate to the Chairs and Vice Chairs Liaison Group.

Joint Health Overview and Scrutiny Committee South Yorkshire, Derbyshire, Nottinghamshire and Wakefield

8. The Commissioners Working Together (CWT) is a collaborative of eight clinical commissioning groups (CCGs) and the NHS England across South and Mid Yorkshire, Bassetlaw and North Derbyshire. The Membership is as follows:
 - Barnsley • Rotherham
 - Doncaster • Wakefield
 - Sheffield • Nottinghamshire
 - Derbyshire
9. Councillor Andrea Robinson is the nominated representative on the Joint Scrutiny Committee with Councillor Cynthia Ransome as the agreed substitute whose appointment will be in place until the Annual Council Meeting in 2019.
10. Minutes of all the previous meetings are available through the modern.gov agenda system. The last meeting was held on 12th June, 2018 where the Joint Committee considered:
11. Hospital Services Review - an independent report which had been commissioned to identify ways in which acute hospitals in South Yorkshire and Bassetlaw, Mid Yorkshire and North Derbyshire could be put on a sustainable footing in the face of significant challenges. Once the Joint Committee of Clinical Commissioning Groups and Collaborative Partnership Board have considered the independent report, the Joint Scrutiny Committee will be presented with firm proposals that will require consideration. The Scrutiny Panel will be kept informed of progress.
12. Hyper Acute Stroke Update – A decision was made by the Joint Committee of Clinical Commissioning Groups and Hardwick Clinical Commissioning Group to approve the decision making business case and changes to hyper acute stroke services in November 2017.
13. The proposed model included a Stroke Managed clinical Network to support the development of networked provision and the consolidation of hyper acute stroke care at Doncaster Royal infirmary, Royal Hallamshire Hospital (Sheffield) and Pinderfields Hospital (Wakefield). Plus the continuation of existing provision at the Royal Chesterfield Hospital. It will be supported by the gradual implementation of Mechanical Thrombectomy commissioned by NHS England.
14. Since the decision was made a challenge has been received from a resident seeking a Judicial Review. It was confirmed in early May that permission for a judicial review was refused. An appeal has now been initiated and a hearing to determine if a substantive hearing is necessary is expected in June 2018. The Committee will be informed of progress.
15. Children's Non Specialised Surgery and anaesthesia Update – Following the Joint Scrutiny Committee's consideration of the proposals the business case, to enable the majority of surgery to continue to be delivered locally and the development of three hubs, Doncaster Royal Infirmary, Sheffield Children's

Hospital and Pinderfields General Hospital, was agreed by the Joint Committee of Clinical Commissioning Groups and Hardwick Clinical Commissioning Group. The decision means that once implemented around one or two children per week needing an emergency operation for a small number of conditions, at night or at weekend, will no longer be treated in hospitals in Barnsley, Chesterfield and Rotherham, and will receive their treatment of one of the three hubs.
