

2, Goodhome Drive,

Goole, Nth.

Doncaster DNS 757.

3rd June 2018.

To: The Licensing Committee,

Please don't give a license to another

partner of alcohol in this area, we have enough already. It would cause the usual alcohol related problems for the council and inevitably have a bad effect on families and communities, in your houses, needs.

Also the GPs next door covers all appropriate needs. Think about the wellbeing of the community now and in the future. Ask the local hospitals for their input. Please don't let this happen to what is a rare resource - one of Doncaster's jewels.

Yours sincerely,
