The Old Brewhouse, Cusworth Hall, Doncaster

*To whom it may concern*

*I am writing to place my concerns regarding the application made for the proposed changes to the Old Brewhouse at Cusworth Hall, Doncaster.*

*The proposed unsociable hours of the applied for license (in my opinion) are of grave concern. As a local resident and frequent user of the park and its facilities; I do not feel that the changes to turn the old brewhouse into a brewhouse tap, selling alcohol until 11pm/midnight, all day every day is appropriate. I take my children to the park and the hall on a regular basis and I do not want them exposed to inebriated patrons, that will no doubt result from the changes, whilst spending time together as a family. In my opinion, the sale of alcohol at Cusworth Hall is already available through such outlets as Butlers Tea Rooms well within the time constraints of the hall and I personally feel that this outlet is enough to adequately respond to the needs of the public whilst visiting the hall.*

*Cusworth Hall has always prided itself on being picturesque and protecting its grounds and being considerate of the local area. I feel that the proposed changes will endanger the current wildlife within the park grounds as well as cause unnecessary noise pollution levels to the local residents. Additionally, I am aware of the odour that brewing creates and feel that this would not be conducive to a nice clean aired environment and yet again fear the implications on the wildlife in the woodland area adjacent to the proposed site.*

*The potential increase in road traffic around a single laned carriageway running through a small village where local children frequent daily, is also of great concern.*

*I would also like to take this opportunity to inform you that the public commenting on the application is turned off prior to the closing date and there appears to be some complications with the email address.*

*I hope that these considerations will be taken in to account and not just dismissed out of hand.*

**Please note:** *I have no objection of the proposed site being turned into a brewery just concerns regarding the application terms for the license.*

*Yours faithfully*

*Stacey Hindle
