## **RISKS AND ASSUMPTIONS**

11. To maximise the effectiveness of the Overview and Scrutiny function it is important that the work plan is manageable and that it accurately reflects the broad range of issues within its remit. Failure to achieve this can reduce the overall impact of the function. National research has identified that over ambitious work plans that include too many items are a common cause of frustration for Scrutiny Members as they fail to achieve any outcomes. The work plan will continue to be reviewed at each ordinary meeting and officers will advise on the capacity available to undertake any additional work. This provides an opportunity to ensure work plans can be regularly monitored and reviewed.
