## How will this contribute to improving health and wellbeing in Doncaster?

This report updates on the 2017/18 year end position of the Better Care Fund (BCF). The BCF itself contributes to preventing unnecessary hospital admissions, reducing delayed transfers of care and enabling people to stay at home for longer.

## Recommendations

- 1) The Board is asked to note the following:
  - a) The final BCF out-turn position for 2017-18;
  - b) Progress against the BCF national conditions and performance indicators; and wider integration of health and social care.
