

# Doncaster Council

Agenda Item No. 12  
15 November 2018

**To the Chair and Members of the HEALTH AND WELLBEING BOARD**

## **REPORT FROM THE HEALTH AND WELLBEING BOARD STEERING GROUP AND FORWARD PLAN**

### **EXECUTIVE SUMMARY**

1. The purpose of this report is to provide an update to the members of the Health and Wellbeing Board on the work of the Steering Group to deliver the Board's work programme and also provides a draft forward plan for future Board meetings.

### **EXEMPT REPORT**

2. N/A

### **RECOMMENDATIONS**

3. That the Board RECEIVES the update from the Steering Group, and CONSIDERS and AGREES the proposed forward plan at **Appendix A**.

### **WHAT DOES THIS MEAN FOR THE CITIZENS OF DONCASTER?**

4. The work programme of the Health and Wellbeing Board has a significant impact on the health and wellbeing of the Doncaster population through the Health and Wellbeing Strategy, the Joint Strategic Needs Assessment, system management and any decisions that are made as a result of Board meetings.

### **BACKGROUND**

5. At the first full Board meeting on 6th June 2013, Board members agreed that there would be a Health and Wellbeing Officer group to provide regular support and a limited support infrastructure to the Board. In March 2016 this support was changed to a steering group.

The Steering group has had two meetings since the last Board in September 2018. It is refocussing to ensure progress on the Health and Wellbeing Strategy and key Board priorities including health inequalities, loneliness/social isolation, oral health, the areas of focus (alcohol, obesity, dementia, and mental health) and prevention. Key updates include:

## **Veterans Health**

- Established Doncaster Armed Forces and Veterans Steering Group (DAFVSG) for Doncaster, included a wide range of partners, commissioned and community sector.
- Refreshing current Annual Action Plan, particularly building on areas across Doncaster around Veterans and Health, Mental Health and Veterans Support.
- Expanding membership of the DAFVSG to include Doncaster and Bassetlaw Hospitals (DBHFT), Clinical Commissioning Group (CCG), GPs and Leisure. To date this year DBHFT are one of the first acute trusts nationally to apply for the Veteran Friendly Hospital Status and have been admitted as members of the Veteran's Covenant Hospital Alliance (VCHA).
- Following the trial brief provided to NHS England on recommendations to deliver a Veteran Friendly Award for GP – this has been trialled in the South of England and we are currently working with Doncaster GPs to establish a North Trial for this scheme in Doncaster.
- Working with partners to develop more performance management and impact understanding of the work around veterans and armed forces – so that we can show where we have achieved priority actions what difference this actually makes to our veterans, families and communities.

## **Carers**

- The Carers Strategic Oversight Group (CSOG) was established to deliver and challenge the actions to achieve the Adult Carers Strategy 2015 – 2018. This group has gone through significant change in the last 6 months, including a change of membership to be inclusive of an All Age Approach.
- The group includes professional partners, community providers, Community and Voluntary sector and Individual Carer Representatives.
- An All Age Carers Charter was co-produced with carers and their representatives in response to carers requests for a public commitment to carer support (attached). The council's cabinet approved this on 16<sup>th</sup> October 2018.

Aspects of commitment under the Charter are now being further developed, including support options around employment, education, and our own responsibilities as an Employer. The CSOG have held a workshop to identify priority actions outstanding to deliver across the partnerships to establish the next years Action Plan to work towards and report on. Key areas of priority are also being reported and matrixed into other work streams to ensure no duplication of these tasks i.e. adult commissioning, social care Carers Assessment review, Young Carers, Carers identification in Health, etc.

## **Work and Health**

The Doncaster Local Integration Board (LIB) has been operational now for just over 6 months. It was created as a requirement of the Working Win Programme, and will become the umbrella board for all employment (including employment and health) related activity in Doncaster. Its purpose is to ensure that Doncaster's health and employment systems are integrated by supporting the work of member organisations to respond to the needs and issues present within the local economy and labour market. Building from the Stronger Families Board, the LIB includes all the main partner organisations plus South Yorkshire Housing Association who are delivering Working Win and Reed in partnership who deliver the Work and Health Programme. The LIB is currently focussed on the performance of the two main contracts, the integration of a range of employment programmes and the services that support activity through a service directory.

Working Win offers:

- One-to-one support to suit individual needs and employment goals
- Working with the individual and their health care team to manage any difficulties
- Help finding a job if individuals are not in paid employment, and continued support once in work
- Help to continue working with a health condition
- Benefits advice to find out if work could increase incomes
- Help talking to employers about specific needs at work
- Meetings over the phone or in person at a convenient location

How does the trial work?

The Health-led Employment Trial is a randomised control trial, meaning people who take part will be randomly placed into one of two research groups. One group will receive the new services and the other group will be provided with information about existing services in their area.

Who is the trial for?

- People with a mental health and/or physical health condition
- People who are out of work and want to work; or working and want support to continue working
- People registered with a GP in Barnsley, Bassetlaw, Doncaster, Rotherham or Sheffield.

- People aged 18+ at the time of referral

How to get involved?

To find out more information please speak to your GP or local health professional or to contact the Health-led Employment Trial team directly, please visit [www.workingwin.com](http://www.workingwin.com) or ring us on 0114 290 0218.

Health partners are asked to consider who is best placed to support the integration between health and employment sectors.

### **Forward Plan**

The Forward Plan for 2019 is presented for debate, discussion and agreement (**Appendix A**).

### **South Yorkshire and Bassetlaw Shadow Integrated Care System Collaborative Partnership Board**

The minutes from the September 2018 meeting are attached for information (**Appendix B**).

### **OPTIONS CONSIDERED**

6. None

### **REASONS FOR RECOMMENDED OPTION**

7. None

### **IMPACT ON THE COUNCIL'S KEY OUTCOMES**

- 8.
