Dear Andrew,

Doncaster Council | Doncaster Cycle Circuit Project | URN: 2018010379

Thank-you for notifying us of your intention to start the car parking enabling works on the above project at the Doncaster Dome site Doncaster Lakeside, Bawtry Road.

Sport England understands that the funding of the car parking works will be met within the current project budget resources and therefore permission is granted.

Starting works on these elements will not prejudice consideration of your request for funding through the 'Places to Ride' Trailblazer Programme. However, it does not in any way commit Sport England to supporting the project with an offer of financial assistance. Accordingly, you will be proceeding entirely at your own risk and Sport England will not be liable for any costs or expenses incurred as a result.

Our permission to proceed without prejudice is made in respect of Sport England funding only. If you are applying to other organisations for funding, you are advised to ask them of the need for similar permissions.

Yours sincerely,
redaction

Property Director
