	Mental Health	Aligns
	Dementia	Aligns
	Obesity	
	Children and Families	Yes
Joint Strategic Needs Assessment		Contribute to JSNA, which needs to include Autism
Finance		Should enable a clearer focus on how available resources are jointly utilised and enable redirection of funding to transform services where appropriate.
Legal		N/A
Equalities		Should address health and other inequalities
Other Implications (please list)		Will support the Joint Commissioning strategy

<b>How will this contribute to improving health and wellbeing in Doncaster?</b>
---

The strategy and delivery plans will ensure that there are clear joint priorities for improving the health and wellbeing of people with Learning disabilities and people with Autistic Spectrum conditions. This will include improving access to health care, health and wellbeing services and a broader roll out of reasonable adjustments including universal services.
---

<b>Recommendations</b>
------------------------

The Board is asked to:-
