Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

All licensable activities, including the sale and supply of alcohol, will be supervised by the Designated Premises Supervisor, Cheryl Williams, Director of Yorkshire Wildlife Park Ltd. Licensable activity will be delivered in a manner that is safe, organised and meets all statutory obligations under relevant legislation, principally the Licensing Act 2003 and subsequent revisions. Yorkshire Wildlife Park is in contact with relevant authorities including DMBC Licensing and Environmental Health Departments, South Yorkshire Police (SYP), South Yorkshire Fire Authority, and will continue to consult with these bodies and follow guidance issued.

The activity will be delivered in a manner that is safe, organised and meets all statutory obligations under relevant legislation, principally the Licensing Act 2003 and subsequent revisions.

Activity will operate in line with the Noise Management Protocol which has been specifically designed for Yorkshire Wildlife Park by consultants Joynes Nash Environmental Consultants.

b) The prevention of crime and disorder

Closely control the sale of alcohol – the Park will ensure that there is always at least one Personal License Holder or a suitably experienced nominated Supervisor on duty at all times alcohol is available for sale.

Ensure all staff involved in the sale of alcohol have received guidance on responsible retailing, and ensure these policies are followed and reminders are given as part of staff briefings prior to shifts commencing

Not serve intoxicated customers any intoxicated person shall not be served and will be requested to leave the Park.

Recognise that customers arriving later in the day, may have been drinking earlier, and this will affect their response to alcohol and level of intoxication

Inform SYP of any occurrences of significant crime or disorder and pass on evidence that may assist in any prosecution or prevention of future occurrences.

CCTV is installed at key locations around the park, and records 24 hours per day

When appropriate, contract professional security personnel registered with the Security Industry Authority (SIA), in sufficient number

Sufficient trained staff will be on duty to minimise queues

No drinks promotions will be operated which may contribute to excess consumption

c) Public safety

The Park has undertaken full Risk Assessments for all routine activities.

Ensure all activity operates in line with risk assessments and operational plans developed based on best practice, and experience of previous similar activity

All staff receive Health and Safety training and in addition there are IOSH and NEBOSH trained staff for in house support.

One-off and special events are subject to risk assessment based on their requirements.

All accidents (staff and customer) are reported, logged and reviewed by staff with specific responsibility for health and safety

A minimum of 15 minutes “drinking up” time will be implemented in order to dissipate the dispersal of guests.

Customers will be advised that they may not take alcoholic drinks off the premises

d) The prevention of public nuisance

Constrain all licensable activities within the running times laid out in this document
 Appoint a member of staff to coordinate the control of noise from the events, in line with the adopted Noise Management Protocol.
 Contract professional sound engineers to control the use of sound systems at the events, and ensure that these staff are well briefed, and understand the controls required by the Noise Management protocol.
 All areas are cleaned promptly after closure to ensure that there is no litter or attraction to pests.
 Due to the nature of the primary business, loud noises are controlled e.g. low-noise fireworks, in order not to alarm or distress the animals within the park.
 We are aware of the potential for nuisance caused by operational noise – this includes noise from emptying bottle skips, refuse collection, load outs from evening events, and deliveries. We have no identified problems in the area as a result of our isolated location, but maintain an awareness and willingness to review operating policies on receipt of any complaints in this area.
 In conjunction with DMBC and the Highways Agency, we developed an entrance, and traffic signage to cope with a high volume of visitors.

e) The protection of children from harm

Observe DMBC and SYP guidance in this area
 Operate a challenge 25 scheme and maintain a refusals book
 We only accept passport, photo driving license, or identification approved by the PASS Accreditation System as proof of age.
 Report any concerns about a young person to DMBC Safeguarding and record in incident book
 There is an established lost child procedure in place on the Park
 Refuse entry to any under 18s observed consuming alcohol outside premises
 Staff will monitor the potential consumption of alcohol by anyone under the age of 18 via proxy sales, and as necessary remind customers it is an offence to buy or obtain alcohol for anyone under 18 years of age, and / or refuse service as appropriate
 Ensure there shall be no adult entertainment or other entertainment that may give rise to concern in respect of children
 Where films are exhibited, the classification restrictions relating to the film as set out by the British Board of Film Classification (BBFC) shall be clearly displayed and admission rules strictly enforced. If the film has not been given a BBFC classification the admission of children to the exhibition of any film will be restricted in accordance with any recommendation given by the Licensing Authority.
