REASON FOR DECISION AND ALTERNATIVE OPTIONS CONSIDERED AND REJECTED:

Doncaster Community Fund Ward Member Budget 2020/21
Approval of Applications

Further to the establishment of a ward Members Budget of upto £3k per Councillor (ODR No: CR/352/04/20,) a number of applications have been received and assessed in line with the application criteria and supported by the relevant ward Councillor (s).

Legal Considerations:

Section 236 of the Local Government and Public Involvement in Health Act 2007 provides that an authority may make arrangements for individual Members to exercise functions of the authority in relation to the electoral division or ward for which the Member is elected.

In implementing the scheme and agreeing grant applications the Council must ensure this is in accordance with its Financial Procedure Rules. Any parties accepting the grant must formally agree to the terms and conditions of the grant funding. Appropriate monitoring of activities and expenses will be undertaken where necessary to ensure compliance.

Financial Considerations

The Doncaster Community Fund Elected Members Ward Budget is included as part of the £280k Locality Budgets contained within the 2020/21 Revenue Budget. Within this allocation each elected Member is allocated up to £3k (£165k in total across all 55 elected Members) to support local groups and organisations to undertake activities and initiatives to support communities and individuals affected by the COVID 19 pandemic.

A central record of grants allocated will be maintained by the Corporate Governance Team within Legal and Democratic Services – this will reconcile to the grant payments made and record the outcomes achieved through the use of the grant funding.

This is an allocation of existing 2020/21 revenue budget and so is contained within the Council's current budget envelope.

The individual applications below, detail the extent to which the initiative will seek to make a positive impact in the community and ensure the most vulnerable people within Doncaster Communities are supported in a safe and responsible way during the Covid 19 pandemic.
