2. DECISION TAKEN

To approve:-

- a. The acceptance of £547,164.00 grant funding from the Office of the Police and Crime Commissioner, of the Home Office Safer Streets Fund in order to deliver the project within Hexthorpe.
- b. The addition of the scheme (£490k) to the capital programme.

3. REASONS FOR DECISION

The acceptance of funding and the funding requirements as set out will enable physical and community safety based improvements within Hexthorpe. This will provide additionality to key work already focused within the area around building longer-term community cohesion and responsibility and will enable 'physical' enhancements to the area to build confidence within the community of the investment being made in the locality.

4. ALTERNATIVES CONSIDERED AND REJECTED

Failure to accept the funding will result in the authority and the community of Hexthorpe not benefiting from £547,164.00 of Home Office / OPCC funding to improve the locality from a physical and community safety perspective.
