Decision: Planning permission granted, subject to the following Conditions and Informatives, as it is considered that the application will not result in any detrimental impact on residential amenity and any negative impact is outweighed by the social and community benefits:-

- 01. The development to which this permission relates must be begun not later than the expiration of three years beginning with the date of this permission.**

REASON

Condition required to be imposed by Section 91(as amended) of the Town and Country Planning Act 1990.

- 02. The development hereby permitted must be carried out and completed entirely in accordance with the terms of this permission and the details shown on the approved plans listed below:-**

Proposed Plans, Floorplans and Site Plan, Drawing No: 27428-(02)-01, Received 1st April 2020

Proposed Elevations, Drawing No: 27428-(04)-02, Rev A, Received 9th July 2020

REASON

To ensure that the development is carried out in accordance with the application as approved.

- 03. The hours of operation shall be limited to Monday - Sunday 10:00 - 22:00 and not at all at any other time.**

REASON

To ensure that the development does not prejudice the local amenity.

- 04. Prior to commencement of the development details of the proposed replacement first floor windows shall be submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details and be installed prior to operation of the proposed use.**

REASON

To preserve and enhance the character and appearance of the Conservation Area in accordance with policy ENV 25 of the Doncaster UDP.

- 05. The sale of food shall be limited to cold only, being considered ancillary only to the main use as a micro pub/gin bar.**

REASON

To safeguard the amenities of the occupiers of adjacent properties.

- 06. Prior to the use commencing, a noise management plan shall be submitted to and approved in writing by the local planning authority.**

REASON

In the interests of protecting the residential amenity of nearby residents in accordance with Policy PH 12 of the Doncaster Unitary Development Plan (Adopted July 1998)

01. INFORMATIVE

The applicant is advised that planning permission is granted on the basis that only cold food will be sold on site. Should other types of food wish to be prepared and sold, a planning application for the extraction/ventilation system to control the emission of cooking smells and fumes will need to be submitted and approved by the local planning authority.

02. INFORMATIVE

Adequate provision for the storage and collection of waste and recycling is essential for both domestic and commercial premises, lawful arrangements should be in place prior to the occupation of any property. The applicant should contact waste&recycling@doncaster.gov.uk prior to occupation to discuss the provision and siting of suitable bins and setting up a collection service.

03. INFORMATIVE

The relevant license will need to be obtained to serve alcohol on the premises.

04. INFORMATIVE

The guidance provided by the South Yorkshire Police Licensing Officer should be strictly adhered to.

05. INFORMATIVE

Surface water drainage plans should include the following:-

- Rainwater pipes, gullies and drainage channels including cover levels.
- Inspection chambers, manholes and silt traps including cover and invert levels.
- Pipe sizes, pipe materials, gradients and flow directions.
- Soakaways, including size and material.
- Typical inspection chamber/soakaway/silt trap and SW attenuation details.
- Site ground levels and finished floor levels.

Surface Water Discharge from Brownfield Site

There should be no increase in surface water discharge from the site to existing sewers/watercourses. On site surface water attenuation will therefore be required if drained areas to existing.

In accordance with Planning Guidance 'Having Your Say at Planning Committee', Mr Stephen Pugh, the Applicant, and Local Ward Members Councillors Nigel Ball and Lani-Mae Ball, spoke in support of the application for the duration of up to 5 minutes each.

(The receipt of an amendment to Conservation Consultation Response with regard to discussions which had taken place between the Applicant and Conservation Officer in respect of existing first floor windows which resulted in the Conservation Officer's objection being removed subject to the draft Condition 04 being included within the report, was reported at the meeting.)

A proposal was made to grant the Application.

Proposed by: Councillor Eva Hughes

Seconded by: Councillor Duncan Anderson

For: 10 Against: 0 Abstain: 0

Decision: Planning permission granted subject to the addition of the following Conditions:-

- 12. No development shall take place until there has been submitted to and approved in writing by the Local Planning Authority a plan indicating the positions, design, materials, height, and type of boundary treatment to be erected on site, including any gates. Unless otherwise approved in writing by the Local Planning Authority, the details as approved shall be completed before the occupation of any buildings on site.**

REASON

To ensure the satisfactory appearance of the development.

- 13. Prior to occupation of the annex, full details shall be submitted and agreed with the Local Planning Authority of protective fencing for the existing Walnut tree. Once approved, the protective fencing shall be maintained and retained for the lifetime of the tree.**

REASON

To ensure that the retained tree is protected from damage during its lifetime, in accordance with Policy CS16 of the Core Strategy.
