Continued support for those people required to self-isolate as part of the COVID-19 response

3. REASONS FOR DECISION

The test and trace scheme will financially assist Doncaster people on the lowest incomes who would lose income if they were requested by the scheme to self-isolate. The scheme has continued to be applied in accordance with government guidance and the terms of the funding.

The proposals for Practical support funding continue to ensure people self-isolating have access to practical, social or emotional support, in accordance with the grant funding criteria.

4. ALTERNATIVES CONSIDERED AND REJECTED

For the test and trace support payments there is only one option. To award payments in line with the government guidance detailed above. This is the recommended option.
