## How will this contribute to improving health and wellbeing in Doncaster?

The Well-being Commission will help the board to understand the lived experience of residents in the borough and also allow time to explore the interventions that will have the most impact in improving people's well-being and addressing poverty.

## Recommendations

The Board is asked to:-

- a) Note the intention of the Fairness and Well-being Commission and comment upon draft proposals in the report.
- b) Note the ongoing work outlined in the Poverty Position Statement (Annex D).
