<b>How will this contribute to improving health and wellbeing in Doncaster?</b>
<p>Doncaster Council assumed the statutory responsibility for health protection when Public Health transferred from the NHS to Local authority in April 2013. Since then, there has been in place Health Protection Assurance Group to provide assurance on health protection in the borough, bringing together the relevant partners.</p> <p>The presentation at the Health and Wellbeing Board will provide an update on health protection work, focusing on COVID-19, and preparation for winter related to vaccination for COVID and Flu.</p>

**Recommendations**

The Board is asked to note the update on health protection for the people of Doncaster.

A power point presentation will be delivered on the day.
