Winter Plan: Autumn COVID-19 booster and flu vaccine programme

Letter from NHS England dated 18 August 2022: people who will be offered a COVID-19 booster vaccine:

- residents in a care home for older adults and staff working in care homes for older adults
- frontline health and social care workers
- all adults aged 50 years and over
- persons aged 5 to 49 years in a clinical risk group, as set out in the Green Book
- persons aged 5 to 49 years who are household contacts of people with immunosuppression
- persons aged 16 to 49 years who are carers, as set out in the Green Book.

Winter Plan: Autumn COVID-19 booster and flu vaccine programme (2)

- Co-administration: maximise opportunities to co-promote and co-administer vaccinations where possible and clinically advised (eg COVID-19, flu and pneumococcal)
- Campaign start and invites: the flu programme will begin as usual from **1 September** with sites vaccinating when locally procured vaccine allows. Visits to care homes will begin from w/c 5 September with formal launch of the winter/autumn campaign on 12 September.
- Campaign completion: in order to optimise protection for people, systems should offer vaccination by the **start of December**.
- Doncaster Council will be offering flu vaccination to **ALL** staff
