Consequently Local Plan policy 36 on listed buildings is relevant. Policy 36A asks that;</p> <p><i>‘Proposals that enhance or better reveal the significance of a listed building or structure will be supported. Proposals that harm the significance of a listed building or its setting will not be supported other than in circumstances where that harm is clearly outweighed by the public benefits of the proposal having regard to the significance of the heritage asset affected.’</i></p> <p>From a conservation standpoint there is no objection to the proposals which do not harm the setting of the adjacent listed building and no requirement for additional conservation conditions.</p>

Highway Officer

Upon checking the latest plan, a minor revision has been requested updating the width and depth to the internal access road layout. An updated plan reflecting the amendment will be reported verbally to planning committee by the officer.
