How will this contribute to improving health and wellbeing in Doncaster?
This strategy is a legal requirement for the Department of Health and Social Care and has been developed by the South Yorkshire Integrated Care Partnership between September and December 2022. It covers the years up to 2030 and we see it as the beginning of a journey with the people and communities of South Yorkshire.

Recommendations
The Board is asked to:- NOTE and COMMENT on the strategy and consider any IMPLEMENTATION issues.
