<b>How will this contribute to improving health and wellbeing in Doncaster?</b>
<p>The Annual Report of the work of Minority Partnership Board supports actions to address health inequalities in Doncaster by addressing challenges identified through national disparity reports as well as from health needs assessment reports and recommendations. The Report updates on achievements, challenges and actions being undertaken in Doncaster to improve health and reduce health inequalities among local minority groups.</p>

## **Recommendations**

The Board is asked to:-

- Note achievements and challenges still being faced in improving and protecting the health of minority groups in Doncaster;
- Support actions to address the challenges for improving health and addressing health inequalities among minority groups in Doncaster.
