<b>How will this contribute to improving health and wellbeing in Doncaster?</b>
<p>The Better Care Fund (BCF) enables people to stay independent for longer and improves hospital discharge and reablement pathways through services across health, public health and adult social care. Broadly speaking BCF's aim is to make the most efficient and effective use of health and social care resources by breaking down organisational barriers. In doing so it assists people to live independently in their communities for as long as possible and to deliver the right care, in the right place, at the right time.</p>

<b>Recommendations</b>
<p>The Board is asked to consider the impact of BCF activity with regards to performance, income and expenditure during 2022/23 and formally agree sign off of the end of year template 2022/23.</p>
