Other Implications (please list)		

How will this contribute to improving health and wellbeing in Doncaster?
<p>This is an update on the process and timeframe for the development of the refreshed H&WB strategy. The strategy, once developed, will set out partnership agreement on the strategic priorities and actions to address each of the wellbeing essentials identified in DDT. Having a consistent and agreed understanding of what we want to achieve or do will in turn help the partnership to deliver on its H&WB ambitions within the borough.</p>

Recommendations
<p>The Board is asked to:- Note the update and the proposed timeframe for development of the strategy. Agree the proposed time period for the strategy to cover (to 2030).</p>
