A proposal was made to refuse the Application.

Proposed by: Councillor Iris Beech

Seconded by: Councillor Sophie Liu

For: 3 Against: 3 Abstain: 0

Upon the Chair declaring that there was an equal number of votes cast for and against the proposal to refuse the Application, the Chair, Councillor Susan Durant, in accordance with Council Procedure Rule 21.2, exercised her right to use her casting vote and voted for the proposal to refuse the Application.

Decision: Planning permission refused for the following reason:-

- 01. The proposed development will harmfully impact the character of the area by virtue of being an overdevelopment of the site and result of the 'crammed in' appearance. The proposed dwellings are inappropriate in terms of their scale and massing, which together with their layout and positioning introduces an over-dominating appearance, which is not in keeping with the street scene. The application proposal is therefore discordant with Policy 10- Parts A(2) and A(3); Policy 41- Part A, and Policy 44 - Parts B and C of the Doncaster Local Plan (adopted September 2021) and paragraph 134 of the National Planning Policy Framework (2021).**

In accordance with Planning Guidance 'Having Your Say at Planning Committee', Mr Darren Ormshaw, the Agent, spoke in support of the Application for the duration of 5 minutes.
