Decision: Planning permission granted subject to Conditions, the amendment to Condition 12 and the addition of Conditions 35 and 36 as follows, the completion of an Agreement under Section 106 of the Town and Country Planning Act, 1990 in relation to the following matters, and the Head of Planning be authorised to issue the Planning Permission upon completion of the Legal Agreement:-

(a) 5% on site POS (and Maintenance) and a commuted sum of £39,500 (5% of the site area) in lieu of POS.

12. Prior to commencement of the development (excluding demolition), a sustainable drainage management and maintenance plan for the lifetime of the development shall be submitted to and approved in writing by the Local Planning Authority. The plan shall have regard to the principles as set out in the submitted Drainage Strategy L2694 Revision P3.

Whereby private management companies are proposed, the buyer of the property must become a member or shareholder of the management company. The sustainable drainage management and maintenance plan shall include as a minimum:-

- a. Arrangements for adoption by an appropriate public body or statutory undertaker, or, management and maintenance by a residents' management company;**
- b. Arrangements for inspection and ongoing maintenance of all elements of the sustainable drainage system to secure the operation of the surface water drainage scheme throughout its lifetime; and**
- c. Arrangements for ongoing maintenance associated with bank stability.**

The development shall subsequently be completed, maintained and managed in accordance with the approved plan.

REASON

In order to manage the risk of flooding and pollution during the lifetime of the development having regard to Policy 55 of the Local Plan.

- 35. The development shall be carried out in accordance with the details shown on the submitted plan , "Proposed Surface Water Drainage Layout ' L2694 (revision P2) dated 16/06/22 & 'Proposed Foul Water Drainage layout' L2694 (rev P1) dated 15/06/22" that have been prepared by Furness Partnership.**

REASON

In the interest of satisfactory and sustainable drainage.

- 36. All surface water run off from the site, excepting roof water, shall be discharged to the public surface water sewer/land drainage system or Highway Drain via a suitable oil/petrol/grit interceptor. Details of these arrangements shall be approved by the Local Planning Authority prior to the commencement of the development and they shall be fully operational before the site is brought into use.**

REASON

To avoid pollution of the public sewer and land drainage system.

In accordance with Planning Guidance 'Having Your Say at Planning Committee', Mr Kevin Ayrton, the Agent, and Mr Richard Foster, the Architect, spoke in support of the Application for the duration of 5 minutes.

(Receipt of an amendment to the Officers Recommendation and Condition 12, the addition of Conditions 35 and 36, further consultations from Yorkshire Water and Internal Drainage, and a response from Historic England, were reported at the meeting).
