How will this contribute to improving health and wellbeing in Doncaster?
<p>Doncaster's Health and Wellbeing Strategy is overdue and requires an update to reflect the significant events and changes that have taken place since its completion in 2016</p> <p>The South Yorkshire Integrated Care Board has recently developed a South Yorkshire Integrated Care Strategy and a Five-Year NHS Joint Forward Plan for South Yorkshire.</p> <p>Following these statutory documents, the Doncaster Place Partnership is planning the development of a five-year integrated health and care place delivery plan specifically for Doncaster.</p> <p>This is an opportunity for a coherent and integrated approach to improving health and wellbeing outcomes for its residents.</p>
