INTRODUCTION

- 1.1 These **Financial Procedure Rules** form part of the overall control framework within which Doncaster Council operates. They aim to facilitate effective service delivery by setting out best practice for the administration of all financial matters throughout the Council, ensuring a high quality of financial information and enabling decision making. They enable the Council to conduct its business efficiently and operate an appropriate level of public accountability.
- 1.2 The Constitution defines the rules governing the procedures of the Council including responsibility for functions, Contract Procedure Rules and these Financial Procedure Rules.
- 1.3 The Constitution defines the framework within which the powers to make decisions, take action etc. are delegated to the appropriate level in the organisation. In particular the Constitution: -
 - requires all Directors to act within the terms of these Rules in the exercise of their delegated powers;
 - empowers the Chief Financial Officer (CFO) to act as the Proper Officer under Section 114 of the Local Government Finance Act 1988 (as amended) and the Local Government Act 2003;
 - empowers the CFO to exercise the proper administration of the Council's financial affairs under Section 151 of the Local Government Act 1972 (as amended).
- 1.4 The Contract Procedure Rules define the correct procedures to be followed when the Council enters into any contractual arrangement and should be read in conjunction with these Rules.
- 1.5 The Finance Manual is a comprehensive document detailing all aspects of financial systems and procedures and is designed for use on a day to day basis by staff involved in any aspect of financial administration. Any new or revised instructions on financial matters issued by the CFO will be incorporated into the Finance Manual.

Application of the Rules

- 2.1 These rules apply across all parts of the Council. They govern management of financial resources and assets under the Council's direct control but also extend to the Council's partnerships, its subsidiaries, its associates, joint ventures, joint operations and any other arrangements in which the Council has an interest. This is to the extent that they are capable of being imposed by virtue of the Council's control or influence and would not be detrimental to the interests of the Council. Doncaster Schools have their own financial procedure rules, approved by governors, which are aligned to those of the Council.
- 2.2 All members and staff have a general responsibility for taking reasonable action to provide for the security of the assets, funds and resources under their control, and for ensuring that the use of these resources is legal, is properly authorised and provides value for money.

Maintaining the Rules

- 3.1 The Council operates a system of managerial and financial control whereby the CFO has overall responsibility for the proper management of the finances of the Council as a whole but the responsibility for the day-to-day financial control and administration in Directorates and other corporate project and programme work is devolved to the relevant Director.
- 3.2 The overall responsibilities of the CFO in respect of these rules are therefore to:
- maintain these Rules and submit any additions or changes necessary to Council for approval in consultation with the MO (Monitoring Officer) and Chief Executive;
 - issue explanatory advice and guidance to underpin these Rules as necessary. Where such advice and guidance is issued, Members, officers and others acting on behalf of the Council are required to comply with the general provisions of these Rules;
 - require any officer to take any action deemed necessary (as is proportionate and appropriate) to ensure proper compliance with these Rules;
 - report, where appropriate, any breaches of these Rules to Members;
 - report all waivers of Rules to Members approved by the CFO during the course of any financial year which the CFO has delegated authority to determine.
- 3.3 Should any uncertainty or dispute arise pursuant to these Rules, the matter must be referred to the CFO for interpretation and/or arbitration.

Non-Compliance with the Rules

- 4.1 Failure to comply with any part of these Rules may constitute misconduct and lead to formal disciplinary action. Non-compliance will be referred for management action, to be dealt with by the relevant Director in most instances. Serious breaches will be referred to the CFO who may require remedial action to be taken by the Director.
- 4.2 Any waivers or non-compliance will be reported to Audit Committee on a 6-monthly basis.

General Principles of Financial Management

5.1 The financial management staff report to the CFO and provide day to day support to all Directorates. They are able to provide assistance to any member or officer regarding financial management. The general principles of financial management operated in the Council follow best practice guidance and aim to ensure that: -

- roles and responsibilities are clearly understood;
- there is a system of financial control which ensures that transactions are authorised appropriately, with adequate separation of duties;
- financial transactions are recorded properly, with a clear audit trail;
- clear, up-to-date and accurate position reports will be provided to Directors and Cabinet to properly monitor the financial standing of the Council;
- risks are managed on an ongoing basis and, for significant projects with financial impact, risks are registered and managed;
- the Council's Enterprise Resource Planning (ERP) system and other key financial systems and processes are documented and business continuity plans in place to maintain effective financial administration at all times;
- staff are aware of and comply in spirit and substance with the Council's anti-fraud and corruption policy.

FINANCIAL PROCEDURE RULE A: FINANCIAL MANAGEMENT – RESPONSIBILITIES

Responsibilities of the Full Council

These are detailed in the Constitution at Article 3; the financial responsibilities are: -

- A.1 Setting the Budget and Policy Framework within which the Cabinet will operate.
- A.2 Approving any budgetary decision that causes the total expenditure financed from Council Tax, grants and reserves to be increased above that approved.
- A.3 Approving the Treasury Management policy statement and an annual Investment strategy for the Council's cash balances.

Responsibilities of the Elected Mayor and Cabinet

- A.5 Approving the Strategic Risk Management policy statement and strategy.
- A.6 The Elected Mayor determines the Scheme of Delegation which will govern the framework for financial decision-making and budgetary responsibility, except where these financial procedure rules impose other responsibilities or arrangements. Executive decisions can be delegated by the Elected Mayor, to a committee of Cabinet, an individual cabinet member, a member of staff, or a joint committee. Where the scheme of delegation established by the Elected Mayor is silent as to where responsibility for a budget lies, the budget holder will be the officer with responsibility for the relevant service, policy or project.

Responsibilities of Committees

Audit Committee is responsible for: -

- A.7 Approving the Council's Annual Governance Statement.
- A.8 Considering audit matters for recommendation to Cabinet including the Council's anti-fraud and corruption policy.

Overview and Scrutiny Management Committee's financial responsibilities include: -

- A.11 Providing a response within 4 weeks to the Elected Mayor's budget proposal.

Responsibilities of Officers

- A.12 Officer responsibilities for the overall management of the Council's financial affairs are variously set out by legislation, the provisions of the Council's Constitution and the Council's Scheme of Delegation.
- A.13 Certain legislation requires the Council to designate particular officers as the 'proper officer' for the performance of certain functions. 'Proper Officer' functions include the responsibilities of the Head of Paid Service (HPS), the Monitoring Officer (MO) and Chief Financial Officer (CFO) in managing the overall financial affairs of the Council. Formal recognition is also given to the particular responsibilities and functions of the Head of Internal Audit (HIA) at the Council in accordance with best practice advice and guidance.

Chief Executive

The Head of Paid Service (HPS) is designated as the Chief Executive. The financial responsibilities of the Chief Executive include: -

- A.14 Advising the Elected Mayor on budget strategies as linked to the Corporate Plan and Council Policies, including the preparation of a medium-term financial strategy.
- A.15 Advising the Elected Mayor in preparing a capital programme and establishing capital budgets for identified projects.
- A.16 Establishing protocols to ensure that those with Executive decision-making powers consult with relevant officers before taking a decision within their delegated authority. In doing so, the individual officer or Member must take account of legal, financial and human resource implications, other internal policies and any cross-cutting issues where relevant.
- A.17 Ensuring that there is a proper scheme of delegation, which clarifies responsibilities from the Elected Mayor downwards and the skills to carry out those responsibilities. This will include developing and maintaining a resource allocation process that ensures due consideration of the Council's Budget and Policy Framework.
- A.18 Establishing arrangements for the ongoing regular review, assessment and assurance of the effectiveness of the Council's internal control arrangements and for annually preparing an Annual Governance Statement.

Monitoring Officer (MO)

The MO is responsible for: -

- A.19 Promoting and maintaining high standards of conduct including those of financial administration.
- A.20 Reporting any actual or potential breaches of the law or maladministration to Council and/or to the Cabinet.
- A.21 Ensuring that procedures for recording and reporting key decisions are operating effectively and that executive decisions and the reasons for them are made public. The MO must also ensure that all Members are aware of key decisions made by those with Executive decision-making powers.
- A.22 Advising all Members and employees about who has authority to take a particular decision.
- A.23 Advising (in conjunction with the CFO), whether a decision is likely to be considered contrary or not wholly in accordance with the Budget and Policy Framework (see rule A.27 for examples of 'contrary to the budget').

These responsibilities include: -
 - proper administration of the council's financial affairs, systems and procedures;

This may also include legal requirements, medium-term planning prospects, available resources, borrowing requirements, spending pressures, value for money and other relevant government guidelines;

- has made, or is about to make, a decision which involves or would involve incurring expenditure which is unlawful;
- has taken, or is about to take a course of action which, if pursued to its conclusion, would be unlawful and likely to cause a loss or deficiency on the part of the Council;
- is about to enter an item of account the entry of which is unlawful.

It is the duty of the CFO, in preparing the report to consult with the MO and the Chief Executive as far as practicable.

- the CFO to nominate a properly qualified member of staff to deputise should the CFO be unable to perform the duties under section 114 personally;
- the Council to provide the CFO with sufficient staff, accommodation and other resources, including legal advice where this is necessary, to carry out the duties under section 114 of the 1988 Local Government Finance Act.

A.27 In addition, the CFO (together with the MO) is responsible for advising Members as to whether a decision is likely to be considered contrary or not wholly in accordance with the Budget. Actions that may be contrary to the Budget include:

-

- initiating new policies that may impact on agreed budgetary provisions and resource allocations;

The Head of Internal Audit (HIA)

- A.29 The HIA is designated by the CFO and plays a key role in providing assurance to the Members, the CFO, the HPS and Council's Management Team about the probity, practical deployment and effectiveness of financial management at the Council.

- A.31 The HIA is responsible for reporting on any relevant matter of concern to senior management and Members of the Council outside normal line management arrangements to protect the interests of the Council and/or local tax payers.

Responsibilities of Directors

- A.32 Whilst the CFO has overall responsibility for the finances of the Council, Directors are responsible for ensuring the effective discharge of the day-to-day management of their Directorate finances and/or the finances of any projects or programmes for which they are responsible. It is the responsibility of Directors to make appropriate arrangements for the discharging of their financial responsibilities by Assistant Directors and Managers within their Directorate, delegating authority to manage budgets to an appropriate level of management and thereby creating a budget holder structure. Directors should review the performance of managers in delivering their budget holder role.

Directors, Assistant Directors and Managers responsibilities include: -

- B.2 The CFO will report on the robustness of budgets and the adequacy of Council reserves to the Council meeting which approves the Elected Mayor's budget and Council Tax proposal.

Relevant approval is required before a project can commence or commit to capital spend.

Budget Management and Monitoring

Virements

- B.11 Virement is the transfer of resources from one budget heading to another, including movement between any earmarked reserves.
- B.12 Virement is not permitted from certain budget heads, other than by the CFO, as this impacts on the Council's ability to fund non-discretionary expenditure. These excluded heads are as follows, or as may be determined from time to time by the CFO: -

Council will also agree any exceptions which must be agreed by the relevant Portfolio Holder prior to the annual budget meeting. - B.16 Any new fees and charges proposed within the financial year or any changes to existing fees and charges, for which the estimated income is below the key decision threshold, will be approved by the CFO in consultation with the relevant Portfolio Holder and reported to Cabinet in the quarterly monitoring report. Any new fees and charges proposed within the financial year or any changes to existing fees and charges, for which the estimated income is above the key decision threshold, will be approved by Cabinet in a specific report.

- B.19 The CFO may approve a budget carry forward of a ring-fenced grant or where a grant has conditions or expectations attached, where the related expenditure is not expected to be incurred in the current financial year. The CFO may also approve a budget carry forward where not carrying the budget forward would adversely affect the Council's budget position. Cabinet will approve all other budget carry forward requests through the outturn report, taking advice from the CFO and Chief Executive.

FINANCIAL PROCEDURE RULE D: SYSTEMS AND PROCEDURES

General

- D.1 The CFO is responsible for the operation of the Council's Enterprise Resource Planning ('ERP') system, the form of accounts and the supporting financial records.
- D.2 Any new or changes to current systems containing financial transactions must be approved by the CFO prior to procurement and/or implementation. The CFO can request changes to be made to Directorate systems, where they do not provide the necessary financial data required. Suitable and appropriate business continuity arrangements should be established, tested and kept up to-date in respect of all important financial systems.
- D.3 Directors must ensure that information is processed in accordance with data protection legislation. Directors must ensure that staff are aware of their responsibilities under the Data Protection Act 2018, the General Data Protection Regulation, the Freedom of Information Act, the Regulation of Investigatory Powers Act and any other Council policies and guidance relating to the use of information and the use and procurement of I.T. systems.

Scheme of Authorisation

- D.4 It is the responsibility of Directors, in consultation with the CFO, to ensure that a proper Scheme of Authorisation has been established within their area that is suitably documented and is operating effectively. The Scheme of Authorisation should identify staff authorised to act on the Director's behalf in income collection and placing orders/raising requisitions and making payments, together with the limits of their authority. These records should be amended promptly where changes in circumstances or personnel take place and reviewed annually to ensure that they are kept up-to-date.

Income

- D.5 Directors are responsible for ensuring that all income due to the Council is identified and collected for the services provided by their Directorate. It is preferable to obtain income in advance of supplying goods or services as this improves the Council's cash flow and also avoids the time and cost of administering and collecting debts.
- D.6 Directors are responsible for the safeguarding of any income collected prior to banking. All relevant details must be forwarded to the CFO to allocate the income to the correct budgets.
- D.7 Any changes to fees and charges must be in accordance with rule B.16.
