How will this contribute to improving health and wellbeing in Doncaster?
<p>This Health Protection update report covers the quarter up to October 2023.</p> <p>Doncaster Council assumed the statutory responsibility for health protection when Public Health transferred from the NHS to Local authority in April 2013. Since then, there has been in place the Health Protection Assurance Group to provide assurance on health protection in the borough, bringing together the relevant partners.</p> <p>This Health Protection update provides Doncaster Health and Wellbeing Board with assurance that the duties of protecting the health of the people of Doncaster are effectively being undertaken. The update covers the following:</p> <ul style="list-style-type: none">• COVID-19;

- Measures to prevent and control infections in hospitals (DBTH and RDASH) and care homes;
- Infectious disease surveillance report;
- Surveillance Report
- Sexual Health Service
- Suicide Prevention and Substance Misuse
- Tuberculosis

Recommendations

The Board is asked to:-

- Note the update on health protection measures being taken to protect the health of the people of City of Doncaster Council.
