REASON FOR DECISION AND ALTERNATIVE OPTIONS CONSIDERED AND REJECTED:

Doncaster Community Fund Ward Member Budget 2023/24

Approval of Applications

Legal Considerations:

Section 236 of the Local Government and Public Involvement in Health Act 2007 provides that an authority may make arrangements for individual Members to exercise functions of the authority in relation to the electoral division or ward for which the Member is elected.

In implementing the scheme and agreeing grant applications the Council must ensure this is in accordance with its Financial Procedure Rules. Any parties accepting the grant must formally agree to the terms and conditions of the grant funding. Appropriate monitoring of activities and expenses will be undertaken where necessary to ensure compliance.

Financial Considerations

The Elected Members Ward Budget is included the 2023/24 Revenue Budget. Within this allocation each elected Member is allocated up to £3k (£165k in total across all 55 elected Members) to support local groups and organisations.

A central record of grants allocated will be maintained by the Corporate Governance Team within Legal and Democratic Services – this will reconcile to the grant payments made and record the outcomes achieved through the use of the grant funding.

This is an allocation of existing 2023/24 revenue budget and so is contained within the Council's current budget envelope.

The individual applications below, detail the extent to which the initiative will seek to make a positive impact within the local community.
