How will this contribute to improving health and wellbeing in Doncaster?

The Joint Health and Wellbeing strategy underpins the work plan of the Doncaster Health and Wellbeing Board and is fundamental to the health and wellbeing needs of the population. A refresh of the Health and Wellbeing strategy is required to ensure that the board's work programme fulfils the local population needs and that it is updated in line with the changing health and social care landscape.

Recommendations

The Board is asked to:- CONSIDER and ENDORSE the draft refresh for the Health and Wellbeing Board strategy; DISCUSS and AGREE the proposed consultation plan and proposal in the given time frame. A Due Regard Statement is being developed alongside the strategy and is work in progress.
